This week is Spirit Week.

Within your pack you will find some SPIRIT Challenges for you to complete.

For each SPIRIT challenge you complete, you will receive a house token.

There are bonus tokens available for students who show extra SPIRIT.

You should share your completed challenges with your teacher during your Zoom lessons.
Monday: House Mascot Challenge
Tuesday: Design a House Poster
Wednesday: Create a House Cheer
Thursday: House Sporting Challenges and Invitation for Friday's Zoom Friday: House Colour Dress Up Zoom Meetings

## MONDAY - House Spirit Week

House Mascot Challenge

House Mascot Competition
Dress your soft toy, pet or willing sibling in your best house colours!
Or

Design a costume for a brand new house mascot that could attend the TNPS Carnivals.

Don't forget: house points are on offer!

Design your house mascot here:

## MONDAY - English

## Spelling

- Ask a family member to pre-test you with the Week 10 spelling words. If a family member cannot help you, choose words that you find tricky to spell.

| Year 1 students should choose 10 | Year 2 students should choose 12 - |
| :---: | :---: |
| words from the spelling list to |  |
| complete the daily activities. | 15 words from the spelling list to |
| complete the daily activities. |  |

## Must do:

- Practise your spelling words each day.

Remember to look, say, cover, write, check and correct each word.
$\Leftrightarrow$ Say
Cover
Write
$\checkmark$ Check

| Monday | Tuesday | Wednesday | Thursday | Friday |
| :--- | :--- | :--- | :--- | :--- |
|  |  |  |  |  |
|  |  |  |  |  |
|  |  |  |  |  |
|  |  |  |  |  |
|  |  |  |  |  |

|  |  |  |  |  |
| :--- | :--- | :--- | :--- | :--- |
|  |  |  |  |  |
|  |  |  |  |  |
|  |  |  |  |  |
|  |  |  |  |  |
|  |  |  |  |  |
|  |  |  |  |  |
|  |  |  |  |  |
|  |  |  |  |  |
|  |  |  |  |  |

Can do:

## Cartoon Connection

Create a cartoon strip using as many spelling words as you can.

1. What do the kids in the junior beekeeping club learn about?
2. Bees can hear each other even if they're not near each other. True or false?
3. What do bees do after they have eaten pollen?
$\qquad$
$\qquad$
4. Bees go from plant to plant collecting $\qquad$ .
5. How do bees help plants produce seeds and fruit?

Match the descriptions of the bee body parts and then use the answers to label the parts of a bee.
$\square$
Bees collect the pollen in flowers using these. They also use them to stand.

These help the bees to smell but also help them measure how fast they are flying!

These help the bee to fly.

This is the main body of the bee.

These help the bee know if danger is coming from any direction.

## Amazing Fact

Bees have 5 eyes; 3 simple eyes and 2 compound eyes (made up of lots of lenses).

## Challenge

Unscramble these words using the clues provided.

| Clue | Answer |
| :--- | :--- |
| nohyebocm <br> This is where bees store the honey. |  |
| veih <br> Bees live in this. |  |
| tecran <br> Bees collect this from flowers. |  |
| neque <br> This bee is the leader of the bees. |  |
| nexghao <br> This is the 2D shape of honeycomb. |  |
| giwns <br> Bees use these to fly from flower to flower. |  |
| twees <br> This is how honey tastes. |  |

## LEARNING LADDERS

## 

In World of Insects, learn about fierce praying mantises, busy honey bees, beautiful butterflies, and other amazing insects.
What did you learn?

## QUESTIONS

1. Insects cannot live in ...
a. Lakes
b. Rivers
c. Ponds
d. Oceans
2. The male stag beetle has huge ...
a. Wings
b. Jaws
c. Feet
d. Antlers
3. Honey bees collect a sugary liquid called ...
a. Sweat
b. Juice
c. Nectar
d. Pollen
4. Dragonflies like to eat ...
a. Fruit juice
b. Tiny mosquitos
c. Frog eggs
d. Smaller dragonflies
5. What color is the butterfly in the book?
6. How many wings do dragonflies have?

## TRUE OR FALSE?

$\qquad$ 1. Leaf-cutter ants live on the damp floor of the rain forest.
2. Butterfly's wings are crumpled at first.
3. A praying mantis can measure up to 7 inches long.
4. Rain forests are hot, steamy places, but it rarely rains.
5. The grasshopper rubs its back legs against its front wings to make a chirping sound.
6. Diving beetles eat pond snails.

## Writing

Today for handwriting, you will be learning how to do some fancy letters.

Watch the video by scanning the QR Code:

https://www.youtube.com/embed/IweS7YVXvJw

If you see this message, click on the 'Watch on YouTube' link or search for How to write FANCY letters by CalliWriting

## Video unavailable

Playback on other websites has been disabled by the video owner.
Watch on YouTube
If you see this message, click here

Then have a go at copying the fancy letters underneath.

Practice your fancy writing in the box below. You may like to practice writing your name, create your own fancy letters, use different colours or try some bubble writing.

## Describe what an odd number is:

True or false: 15 is an even number.
Write a sentence and draw a picture to explain your answer:

## Arctic Odds \& Evens

## Colour the odd numbers light blue and the even numbers dark blue!

$\qquad$ Number of dark blue boxes: $\qquad$

## Number and Algebra - Must Do

## Emoji Code Breaker Addition

Crack the code by working out the addition calculations. Once you have an answer, look for the matching letter in the table and fill in the blank.

| $\mathbf{a}$ | $\mathbf{b}$ | $\mathbf{c}$ | $\mathbf{d}$ | $\mathbf{e}$ | $\mathbf{f}$ | $\mathbf{g}$ | $\mathbf{h}$ | $\mathbf{i}$ | $\mathbf{j}$ | $\mathbf{k}$ | $\mathbf{l}$ | $\mathbf{m}$ |
| :---: | :---: | :---: | :---: | :---: | :---: | :---: | :---: | :---: | :---: | :---: | :---: | :---: |

$$
\overline{60+4} \overline{16+4} \overline{68+3} \overline{70+5}
$$

## Number and Algebra - Can Do

Can you draw a line to match this addition or subtraction counting patterns on the left, with their rule on the right?

| $\begin{aligned} & 76,66,56, \\ & 46,36,26 \end{aligned}$ | My rule is +5 |
| :---: | :---: |
| $\begin{gathered} 10,25,40, \\ 55,70,85 \end{gathered}$ | My rule is +12 |
| $\begin{aligned} & 280,260,240, \\ & 220,200,180 \end{aligned}$ | My rule is +15 |
| $\begin{gathered} 5,7,9 \\ 11,13,15 \end{gathered}$ | My rule is +10 |
| $\begin{gathered} 2,22,42 \\ 62,82,102 \end{gathered}$ | My rule is -6 |
| $\begin{aligned} & 20,32,44, \\ & 56,68,80 \end{aligned}$ | My rule is $+2$ |
| $\begin{gathered} 36,30,24 \\ 18,12,6 \end{gathered}$ | My rule is +20 |
| $\begin{aligned} & 15,20,25, \\ & 30,35,40 \end{aligned}$ | My rule is -20 |

## MONDAY - Science

How do Aboriginal and Torres Strait Islander Peoples use and care for Earth's resources?

## Medicine

By experimenting, they have found plants that can be used as medicine, if they are prepared and used correctly.

The Goat's Foot leaves can be put on stingray bites to help them heal.

The bright orange Desert Mushroom can be sucked to cure a sore mouth or lips.

The leaves of the Tea Tree plant are crushed and put on cuts or burns on the skin.

Fish, oysters and eels are caught with spears or trops.

Didgeridoos are made from large branches that have been hollowed by termites.

Resin (liquid) from the Spiky Spinifex plant can be used as a glue.

By exploring the land, Aboriginal and Torres Strait Islander Peoples have found trees and plants that can be used to make tools.

Imagine if you were to go shopping in Nature's Shopping Centre. Make a shopping list of items you learned about in the eBook.

| Item | Location <br> (where you would find it) | Use <br> (why you would need it) |
| :--- | :--- | :--- |
| Tea Tree leaves. | On a Tea Tree bush. | To put on skin sores. |
|  |  |  |
|  |  |  |
|  |  |  |
|  |  |  |
|  |  |  |

Aboriginal and Torres Strait Islander Peoples used symbols to tell others where to find natural resources. Why do you think circles are often used to show water?

$\qquad$
Design your own symbols to show Earth's different resources.
Plants Animals $\square^{\text {Water }}$ Air

## House Poster Challenge

## Design your own House Poster

Today your task is to create a poster that advertises your school house:
Finders, Macquarie, Sturt or Phillip.
Your poster should show how great your house is!
Don't forget to use lots of your house colour.

## Don't forget: house points are on offer!

## TUESDAY - English

## Spelling

## Must do:

- Using the table in Monday's spelling, practise your spelling words.

Remember to look, say, cover, write, check and correct each word.

- Read the sentence below. Can you find the common sound?

Underline, circle or highlight the letter / letters that make the common sound.

## The beautiful yabby was watching the yacht and eating yucky

 yogurt.- The table below, brainstorm as many words that you can think
 of. You may use the spelling lists to help you.

| $\mathbf{y}$ | yoyo, |
| :---: | :--- |
| $\mathbf{u}$ (yoo) | computer, |
| others | few, cube, |

## Can Do:

Circle a 3 letter word inside each word.
Write it on the line. The first one is done for you.

| your you | cube |
| :--- | :--- |
| year | knew |
| yummy |  |
| cute | used $\quad$ you're |
| tube | yellow $\quad$ you'll |

Unjumble these words. Join the dots in the order of these words.

l. sye
2. uyo
7. dyra
8. wyleol
3. beut
9. wen
4. uyo're
5. esu
6. esud $\square$ 12. eolywl $\qquad$ you
tube you're.

## Can Do - choose to complete one or both the following worksheets

To help you complete this worksheet, use the Biggest, Fastest, Smallest, Slowest book.

## Blue whale <br> higgest mammal

The blue whale is the $\qquad$ animal that has ever lived. It is longer than $\qquad$ buses and weighs more than __ elephants! It lives in the ocean, but it is not a $\qquad$ It is a $\qquad$ . There are blue whales in every ocean in the world.
The $\quad$ opens
up wide to take in
lots of water and
food.

## Bendable <br> $\qquad$ strips hang from each side of its mouth. The strips catch food from the water.

$$
\begin{aligned}
& \text { The blue whale } \\
& \text { moves through the } \\
& \text { water by waving its } \\
& \text { strong } \\
& \text { and down. up }
\end{aligned}
$$

The blue whale's throat skin has many $\qquad$ so it can stretch like a huge balloon when it's time to eat.

To help you complete this worksheet, use the Biggest, Fastest, Smallest, Slowest book.

## slowest land animal

The sloth is the $\qquad$ land animal. It does everything slowly! The sloth spends most of its life in
$\qquad$ . It lives in rain forests in Central and South
$\qquad$ . Leaves, $\qquad$ , and twigs are its favourite things to eat. The sloth spends most of its time upside down!

## Writing

This term we have learnt how to write:

- A Procedure: informs how to do or make something through a series of steps.

There are many types of procedure texts, such as:

- recipes
- instructions
- directions
- rules.
- A Recount: retells events that have happened in the past.
- An Explanation: describes how or why something happens Such as:
- Life cycle of a chicken
- What causes an earthquake
- An Information Report: provides facts about a particular topic.

Look at the pieces below. Write whether it is a:

- Procedure
- Recount
- Explanation
- Information report

## How to Brush Your Teeth

## Materials

Toothbrush
Toothpaste
Water

## Method

1. Squeeze some toothpaste on the toothbrush.
2. Put your toothbrush under some water.
3. Brush your teeth thoroughly for three minutes.
4. Rinse your mouth and the toothbrush with water.

This is a
This
$\square$

## Building a Snowman

This morning, my sister and I built a snowman in my backyard.
First, we made the body and the head. We needed lots and lots of snow to make a big, strong snowman!
Next, we made the snowman's face. I used a bent, old carrot for the nose. It looked quite funny!
To finish, we put on Grandpa's scarf. I thought our snowman looked very grand indeed!
Building snowmen is the best way to enjoy snowy weather.

## Silkworm Life Cycle

## Elephants

All elephants are mammals, like humans.
They usually live in grasslands, in Africa and Asia.
Elephants have bulky bodies, large ears and a long trunk.
They are all herbivores, which means they survive on a diet of plants.
Most elephants can live for 50 to 70 years in the wild.

## How to Make a Cheese Sandwich

## Ingredients

2 slices of bread
1 slice of cheese
Butter
A knife
A chopping board
-

## Method

1. Lay the slices of bread on the chopping board.
2. Carefully spread the butter on the slices of bread.
3. Lay the cheese on top of one of the slices of bread.
4. Place the other slice of bread on top of the cheese.
5. Carefully cut the sandwich in half and place it onto a small plate.

This is a

## TUESDAY - Mathematics <br> Minute Maths

Colour in all the odd numbers in your favourite colour. Colour all the even numbers in your second favourite colour.

Look at the 'ones' digit of all the odd numbers. What do you notice?

Look at the 'ones' digit of all the even numbers. What do you notice?
$\square$
Saira has 25 pencils. Her teacher has asked her to divide them between two pots. Saira says, 'I won't be able to do it.' Is she right? Explain why.
$\square$

## Number and Algebra - Must Do

Fill in the missing parts of the number pattern by working out the rule.

## Level 1:

## Level 2:

$21,19,17,15$,

Rule: $\qquad$
$52,54, \square, 58,60$,

Rule: $\qquad$

$\overline{70-6} \quad \overline{25-3} \overline{24-4} \quad \overline{11-5} \quad \overline{80-5} \quad \overline{26-4} \overline{20-7}$
$\overline{40-5} \overline{25-3} \overline{9-3} \overline{15-2}$
$\overline{30-9} \quad \overline{80-5} \quad \overline{15-4} \quad \overline{20-7} \quad \overline{100-50} \quad \overline{90-9} \quad \overline{100-25} \overline{90-2}$

## TUESDAY - Art

## Birds and Fish on the edge

Sometimes you can only see part of an image in an artwork. This makes your brain work hard to image what the rest of the image looks like. Below are two artworks that I have created where the image is only partly visible.

Can you create a bird, fish, or any other animal so that it is only half visible? Here are some pictures for inspiration but I know your drawings will be so much more creative.

Once you have drawn your picture, colour it in with oil pastels, textas or paint and then cut it out.

Now gather coloured paper or magazines to create coral or any background. Tear them up as I have done below. Arrange them on the page so no straight edges are showing. Glue them on when you are happy with the results.

You might like to draw more animals in your picture. Have fun.

## WEDNESDAY - House Spirit Week

## House Cheer Challenge

## Write a house cheer

Today your task is to write your own house cheer for your house:
Sturt, Phillip, Macquarie or Flinders.
You may like to consider:

- Is your cheer catchy?
- Does your cheer rhyme?
- Does your cheer have music or a beat?

Don't forget: house points are on offer!

Write your house cheer here:

## WEDNESDAY - English

## Spelling

## Must do:

- Using the table in Monday's spelling, practise your spelling words.

Remember to look, say, cover, write, check and correct each word.

Say
5-3 Cover
(Write
Check
Colour the yacht yellow if you hear yunnan in the word.

Write $y$ or $Y$ in the spaces.
Read the sentences. Colour the picture.
dolly is a abby.
olly has
a 0 .

Can do:
Write these words in correct alphabetical order in each row.
knew use cute year few new
yellow you yam yippee yummy

Write y in the words in the boxes. Finish the sentences with these words.

## Reading <br> Create a Poster of a Dog

A poster is used to give the reader information about something or someone.

Today you will create a poster about one of the following dogs. Choose which dog you want to research and then create your poster. Don't forget to include facts about your dog, how to care for your dog and a picture/drawing.

Your login details: Username: tnps Password: tnps
http://www.worldbookonline.com/wb/ebooks/mall/instt/catalog/urn:ISBN:9780716693215/detail.do

http://www.worldbookonline.com/wb/ebooks/mall/instt/catalog/urn:ISBN:9780716693239/detail.do

Use the next page for your poster or use a piece of cardboard/paper that you have at home. Share with the class in our Zoom meeting.
$\square$

## WEDNESDAY - Mathematics

Minute Maths
Can you work out the missing numbers and put them back in?
1.

2.

3.

Here is a 120 chart to help you if you need it.

| 1 | 2 | 3 | 4 | 5 | 6 | 7 | 8 | 9 | 10 |

Number and Algebra - Must Do

Level 1: add + or - to these number sentences to make them correct.

Level 2: Add a number to this number sentence to make it correct.

Level 3: Add a number to make each number sentence correct.

## Number and Algebra - Can Do

## Colour by Multiplication

Do the multiplication calculation and colour the shape in the correct colour.

## WEDNESDAY - Wellbeing Time

## Use this time to focus on your wellbeing.

Choose an activity from the ideas below or think of something that you enjoy doing.
Try to choose an activity that is away from the screen to give your eyes a rest.

12
Can you create a story bag? Find a bag and collect items to go in it that relate to a well known story. If you can't find an item, you could draw a picture to include.

13
List making!
Write a list of things that make you happy, things you're grateful for or things you are good at.

## 12 Write a silly 12 sentence that

 includes all of these words... BANANA, CURTAIN, DOLPHIN, SNOW andBALLOON. Now think of your own words and write some more!

## 12 Imagine you need to

 make a cake for a special event. It needs to have 5 layers of different flavours. Design and label how it would look.How many different words can you make from the letters in this sentence?

Keeping my
brain busy is fun brain busy is fun

## 13 Word search fun!

Create your own word search using words on the topic of food or cooking, then ask someone to complete it.

Quick draw!
Set a 1 minute timer, draw a quick doodle and see if the other person can guess what it is before the time is up.

11

## Start a food

 journal. Write down your favourite meals, ingredients and recipes Are you eating healthily enough?

14 Design and make an obstacle course at home or in the garden. How fast can you complete it?

## 14 Ping pong story telling! Write

the opening sentence to a story, then someone else writes the next line. Then it's your turn again! Keep alternating until you have a full story.

14Imagine you discovered a new type of fruit! What would you call it? What would it look like and taste like? Write a description.

15 Can you invent $\begin{aligned} & \text { something new? }\end{aligned}$ something new? something to help people? Draw a picture or write a description.

15
Guess the character! Think of a character from a book, write it down so no-one can see. Have others ask you questions to try and guess which character you chose.

15If you had your own restaurant, what would it be like? Would it have a theme? Make a model of it using things you find around the house.

| Spreading Kindness and Appreciation Choose Your Own Adventure Grid |  |  |
| :---: | :---: | :---: |
| Create a rainbow of kindness. Complete activities from the grid below to add to your rainbow of kindness on the next page. |  |  |
| While you are on your walk, collect three pieces of rubbish. | Help make a meal at home. | Find something you don't play with often and see if you can find a new use for it. |
| Clean your room without being asked. | Make a thank you card for a family member, | Plant something in your garden. |
| Offer to do a job around the house. | Read to someone or a pet. | Design a 'Be Kind' tattoo or sticker. |
| Make a list of kindness synonyms. | Make a kindness collage. | Share an encouraging song with others. |
| Describe something kind you have done this week. | Make a joke book and share the jokes with others. | Make a healthy fruit salad and share it with your family. |
| What is kindness? Write or draw pictures to show what kindness means. | Use chalk to write a kindness message on your driveway. | Make a list of 10 random acts of kindness anyone could do. |
| Create a poster with a kindness quote. symbol or image. | Draw a picture and write a letter to someone in a nursing home to brighten their day. | Write a play with a kindness theme, message or moral. |
| Spend at least thirty minutes doing something you enjoy doing. | Write a letter to an essential services person detailing your appreciation for their efforts. | Create an adverlisement for kindness. It could be a poster or TV advertisement. |
| Write an acrostic poem using the lefters of the word kindness. | List five ways kindness is like chocolate. | Compose a song about kindness. |
| Think about someone you know who is kind. What makes them kind? Draw and write about them. | Draw, paint or create something special and give it to someone to show your appreciation of them. | Make a card using words of encouragement and kindness to show your appreciation of someone who deserves it. |
| Research examples of people who have demonstrated kindness to make our world a better place. Write an information report about them. | Find a book or movie with a kindness theme and write a review of it. | Make a Venn diagram to compare the similarities and differences between the meaning of the words 'kindness' and 'appreciation'. |

Bubbles of Gratitude Mindfulness Colouring These are bubbles of gratitude! As you colour each bubble, think of something that you are grateful for. It could be something big or something very small, something that you experience often or something that has just happened once. Thinking of these things helps make us feel calm and happy.

Design your own game or sport.
It might be a brand new game or a combination of games or sports you already know.
Think about the equipment you'll need and what the rules are.

Create an Invitation for the Friday 'Dress in House colours' Zoom Meeting.
On Friday, students will be invited to dress in their house colours for Zoom meetings.
Your task is to design an invitation for the Friday Zoom meetings. You may like to use the template below or create your own.

## Don't forget: house points are on offer!

## My game is called:

- This page has been left intentionally blank -

## THURSDAY - English

## Spelling

## Must do:

- Using the table in Monday's spelling, practise your spelling words.

Remember to look, say, cover, write, check and correct each word.

Can do:

## Defne lt

List your spelling words in boxes on the left side of your paper and then write the definitions of each word on the right side, in random order. See if a partner can match the words and definitions correctly.

## Reading

Advertisements - look at the following advertisements and answer the questions.
Level 1

Yly to the moon in your very own rocket ship.
Feel zero gravity.
Bring home $\alpha$ moon rock.
Plant your own flag on the moon's surface.

## Level 2

The Hovering Hoverboard

1. List three things from the advertisement that lead you to believe that the Hovering Hoverboard is unsafe.

| 1. |
| :--- |
| 2. $\square$ |
| 3. |

[^0]4. If you and a friend were both wanting to go somewhere on your Hovering
Hoverboards, could you do that together? Give reasons for your answer.
m

## THURSDAY - Mathematics

Minute Maths
(1) Colour the correct chance words that best describe the below events.

I will go to school this week.

My teacher will turn into a robot.

I will go swimming on a hot day.

It will rain today.
(2) Draw a picture of something that might happen, will happen and won't happen today.

| might happen | won't happen | will happen |
| :--- | :--- | :--- |
|  |  |  |
|  |  |  |

## Chance Problem Solving

Colour in the marbles to make the sentences true.

1. You might choose a red marble.

2. You might choose a yellow marble.

3. You will choose a blue marble.
4. You won't choose a green marble. a green marble and a red.

## Statistics and Probability - Can Do

Re-write these events in the number line boxes in order of how likely they are to occur.

Tomorrow it will snow.

Tomorrow I will travel by rocket to school.

One day I will go to the moon.

I will walk 20 steps today.

Tomorrow I will walk a dog.

Tomorrow I will be younger.

I will watch TV today

I will go on a bus this week.

Tomorrow will be summer.

## Number Line Probability

## THURSDAY - PDHPE

## Lesson 10 - Water Safety

When we are out and about near water, there is a special code we should follow:

S - Stay
A - Away
F - from the
E-Edge

Discuss now why this is important with your parent, care-giver or teacher.

To keep yourself safe when you are in, on or near outdoor water, always follow "The Water safety Code"
The water safety code helps you to spot the dangers around water:
Dangers include

1. It will be cold
2. It can be difficult to get out
3. It can be deep
4. There may be hidden rubbish that could hurt you
5. There may be no lifeguards
6. The water may be dirty and could make you ill

These signs can help you spot danger

Can you guess what these signs mean? Discuss with your parent, care-giver or teacher.

Remember it's important to always be with an adult around water. Adults can help to point out dangers. You should learn how to help by

- If you see someone in difficulty, tell an adult
- Call 000 if there is an emergency
- Ask the lifeguard to help.

## Activity 1 - What should you do? - Water Safety Scenarios

Read the following scenarios and discuss with your parent, care-giver or teacher what you should do. Then write your answers below each card.
1.

## Water Safety

You and your friends have gone for a walk in the countryside. You come across a beautiful pond, full of plants and creatures. "Come on," says your friend, "I'm really hot. Let's go for a swim in this pond."

What
should
you do?
2.

Water Safety
You and your big brother are waiting for your mum to meet you at the swimming pool. Your mum is running late. "Let's just go swimming anyway," your brother says, "I'm 12, I'm old enough to look after you."

3.

## Water Safety

You are at the swimming pool having fun. Looking across to the deep end, you see someone waving their hand. Their head keeps coming above the surface then going back under.

4.

Water Safety
You are at the swimming pool with your friends. They all want to go and play in the deep end but you can't swim very well yet.

## Water Safety

You are at the beach on a sunny day. Fixed into the ground near the sea are some flags. You aren't sure what the flags mean. How can you find out their meanings?

Activity 2 - Look at the picture below and circle all the dangers you can see.
Dangers new the Seas

## Activity 3 - PE Activity - Choose your score

How to solve problems when moving?

You will:

- create rules to apply a scoring system with different targets
- perform the overarm throw using 4 key components
- reflect upon your performance and identify ways to perform a throw more successfully

## You will need:

- Help from an adult
- A soft object to throw (for example, soft ball, pair of socks, soft toy, scrunched-up paper)
- An object or landmark to create a target for the object to hit (for example, bucket, a long piece of string laid in a circle, an ' $X$ ' formed by two pieces of tape/material, a $t$-shirt laid on the ground, a chair/bench, a wall, a tree)

## Let's Play

- Choose a safe playing area where you can throw a number of soft objects. Create 5 targets that you can safely throw a soft object towards. Place each of these targets at different distances from the 'starting line'.
- Give each target a different point value. Consider how far the target is from the 'starting line' and the size of the target compared to others. The target you consider to be the hardest to hit should be worth 5 points. The easiest to hit should be worth 1 point.
- Discuss with your teacher or parent/caregiver how you decided the point value for your 5 targets.
- Review the pictures below for an example of the throw overarm. Focus on these important parts while throwing
a) Eyes (Eyes focused on target area throughout the throw.)
b) Side on (Stand side-on to target area.)
c) Step forward (Step towards target area with opposite foot to throwing arm.)
d) Follow through (Throwing arm follows through, down and across the body.)

Play the game 'Choose your score' using the overarm throw.

- To complete the challenge you need to hit all of your 5 targets and score 15 points. You may choose the order in which you attempt to hit the targets.
- Discuss with your teacher or parent/caregiver if you think the placement of your targets based on their point value is suitable. Make any adjustments that you think you need to.
- Play ‘Choose your score’ for a total of 5 times. Each time you play change the order that you try to hit the targets. Record how many throws were required to score 15 points.

Table 1 Choose your score

| Attempt 1 Attempt 2 |  | Attempt 3 | Attempt 4 | Attempt 5 |
| :--- | :--- | :--- | :--- | :--- |
|  |  |  |  |  |
|  |  |  |  |  |

Discuss the following reflective questions with your teacher or parent/caregiver.

- Identify the four important parts of an overarm throw.
- How did you adjust your throw for each of the different targets?
- How do you think you could change your throwing so it is more accurate?

Play 'Choose your score’ again.

- You may choose the number of points needed and which targets you will aim for to make that score.
- For example, you may choose the target score to be 24 points. You decide that you will try to hit the 5 point target four times then the 4 point target.
- Record your target score and how many throws you needed to achieve it.

Table 2 Choose your score

| Score |  | Attempt 1 | Attempt 2 |
| :--- | :--- | :--- | :--- |
|  |  |  | Attempt 3 |
|  |  |  |  |
|  |  |  |  |
|  |  |  |  |

Discuss the following reflective questions with your teacher or parent/caregiver.

- How did you adjust your throw for each of the different targets?
- How do you think you could change your throwing so it is more accurate?

## FRIDAY - English

## Spelling

## Must do:

- Using the table in Monday's spelling, practise your spelling words.

Remember to look, say, cover, write, check and correct each word.

- Have a family member test you on your spelling words. How did you go?

Can do:

## Odd One Out

For each of your spelling words, write four words. One is your spelling word, two relate to your spelling word and one is the odd word out that doesn't fit with the other two.

## FRIDAY - Mathematics

## Minute Maths

Use these words from the boxes to answer questions 1-3.

| likely | unlikely | impossible | even chance |
| :--- | :--- | :--- | :--- |

1. What is the chance you will choose a square?

What is the chance you will choose a triangle?
2.

## Challenge:

4. It is certain you will choose a circle. True or false? Why?
$\qquad$
$\qquad$
$\qquad$
5. What shape has the highest chance of being chosen? Why?

What is the chance you will choose a rectangle?
3.
$\qquad$

$\qquad$
$\qquad$
$\qquad$

## Statistics and Probability - Must Do

Choose certain or impossible to describe the chance of each event happening.
a) If you roll a dice, you will roll a number between 7 and 12.

b) If you jump into a pond filled with water, you will get wet.

Write the correct word from the list below to complete these sentences. likely, unlikely, impossible, certain
a) It is $\qquad$ that the sun will set this evening.
b) It is $\qquad$ that the weather will be warm during summer.
c) It is $\qquad$ to teach a pig to drive a car.
d) It is $\qquad$ that you will travel into space during your lifetime.

Write likely, unlikely, impossible or certain underneath each event to describe the chance of them happening.
a) I will be given an elephant for my next birthday.

b) A flipped coin will land on either a head or a tail.

$\qquad$
c) My brother will choose to wear his shorts on a hot day.

d) If I eat pumpkin for my dinner, I will then turn into a pumpkin.

Statistics and Probability - Can Do
Can you fill this timeline with situations that range from impossible to certain?

## Certain

## Likely

Unlikely

## Hands on Activities!

Nature Shadow Art

Marble Run

## Simon Says Drawing How to Play:

1. Give everyone paper and pencils/crayons/markers/pens to play with. 2. One person will be "Simon" and will be responsible for giving out the directions for drawing.
2. Simon gives out directions by saying "Simon Says + direction". For example - Simon Says draw a large circle.
3. All players will draw what has been instructed.

Beware if Simon does not say Simon Says!
