1/KW Class Catch Up and Check In Meetings ZOOM INFORMATION FOR TERM 3 2021 – WEEK 3

Dear Parents and Carers,

Classroom teachers will offer students catch up and check in meetings via video conferencing using Zoom. The class catch up and check in will provide a teacher-directed opportunity for students to see their teacher and chat informally with one another. They will discuss, review and participate in activities and receive feedback as they learn from home. Students may use a computer, laptop or iPad to join the meetings.

The video conference room is like a classroom, and the same school behaviour and discipline policies apply to this environment. Students need to access Zoom via https://nsweducation.zoom.us/ and are required to use their DoE student portal login to gain access. The DoE user ID and DoE password will be the same as last week.

The Zoom meeting ID and passwords for this week are:

Class	Zoom Meeting ID		Zoom Meeting Pas	sword
KW	Morning am	Afternoon pm	Morning am	Afternoon pm
	614 4821 4803	651 9925 0033	695087	452228
1W	643 8993 5756	656 3510 6418	385175	704601

While access to the Zoom class will be for students, parents and carers are encouraged to be in physical proximity.

Each class will have a Zoom meeting in the morning and another, with different content, in the afternoon. Each session will be approximately 30-45 minutes as indicated. Students are expected to attend both the morning and afternoon session each day.

Monday 26 July, Tuesday 27 July, Wednesday 28 July, Thursday 29 July and Friday 30 July

Time	Class
9.30am	KK & KW & 5T & 6B
10.30am	1F & 1W & 2M & 2R
11.30am	3R & 3H & 4H
12.15pm	KK & KW & 5T & 6B
1.30pm	1F & 1W & 2M & 2R
2.15pm	3R & 3H & 4H

Our protocols for using Zoom have been written in the interest of privacy, safety and well-structured online learning environments. The protocols, explained below, outline the responsibilities for parents and carers, our students and our teachers when using Zoom. The protocols align with our current technology agreement.

By having your child log into a Zoom class, you and your child acknowledge these protocols and agree to participate in video conferencing adhering to these guidelines.

Protocols for using Zoom

Zoom sessions delivered by teachers cannot be recorded or reproduced in any way.

Parents and Carers:

- Support student access to a Zoom class and be in physical proximity while the meeting occurs.
- Support student participation in a quiet space and have a distraction free background behind them or blurred Zoom background.
- Assist with the checking of a student's computer camera and speakers in advance of the meeting.
- Understand the student protocols below and support your child/ren with these.

Students:

- Ensure you speak and participate in a positive, respectful way, by turn taking and listening to others
- Do not enter the online room without a teacher present.
- Be ready to access the Zoom class on time.
- Check your computer camera and speakers in advance of the meeting.

- Make sure you have a distraction free background or blur your Zoom background.
- When you're using your name in Zoom, only use your correct first name and the initial of your surname.
- · Don't invite anyone else into your Zoom class meeting.
- Ensure you are wearing appropriate clothing when participating in a Zoom class meeting.

Teachers / Turramurra North Public School:

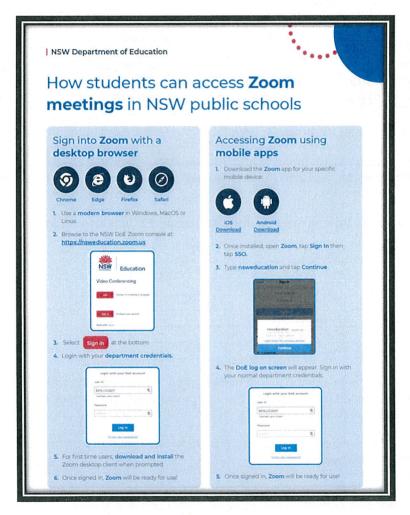

- Provide students with a Zoom meeting time, meeting ID and password in advance.
- Only conduct whole class or small group meetings. One-on-one catch up meetings will not be held with students or parents/carers.
- Remove and/or mute participants as deemed necessary.
- Never allow students into or be left in a Zoom room without supervision.

Please read the instructions below and download Zoom in preparation for your child's class meetings.

Please contact the school on 9144 4107 if you need to arrange the loan of additional devices.

Kind regards,

K-6 Teachers Turramurra North Public School Michelle Verhagen Principal

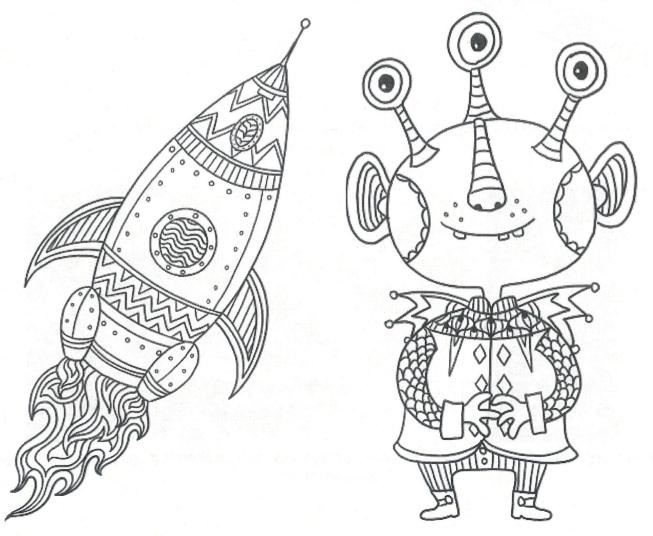

Please note: If you are downloading the mobile app, you need to install Zoom Cloud Meetings.

Week 3 Term 3 – Learning from Home Stage 1 Year 1 and 2

You may need help from a parent/carer and possibly resources from your teacher.

Two activities have been selected for feedback. They are highlighted on the timetable.

Olympic Celebration!

Optional Fun Tasks!

Last Friday was the 2020 Tokyo Olympic Opening Ceremony!

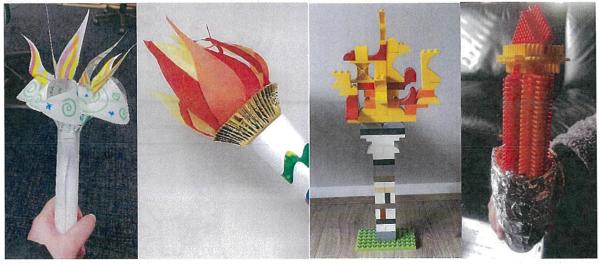

You will find some fun activities about the Olympics this week that you can complete if you have finished your tasks.

Make your own Olympic torch.

You might like to use the template that is included at the end of the pack or create your own torch out of items you have at home.

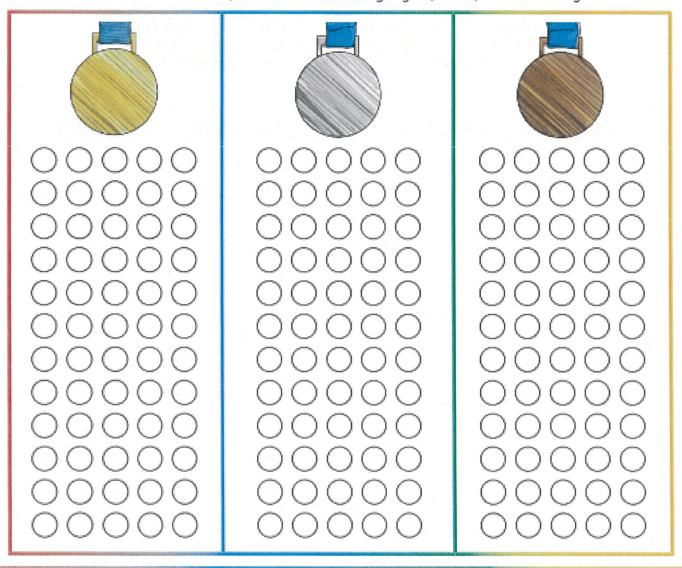

Here are some examples:

You could have a relay around your home using the torch just like they do before the Olympic Games start.

Olympic Medal Tracker

For each medal earned, color in a circle using a gold, silver, or bronze crayon.

How many medals did the United States win altogether?

Total number	Total number of	Total number of	Total medals:
of gold medals:	silver medals:	bronze medals:	
-	+	+	

MONDAY - English

Spelling

 Ask a family member to pre-test you with the Week 3 spelling words. If a family member cannot help you, choose words that you find tricky to spell.

Year 1 students should choose 10 words from the spelling list to complete the daily activities.

Year 2 students should choose 12 – 15 words from the spelling list to complete the daily activities.

Year 1 Week 3 Spelling Words				
rear ()	ar a	ig words		
Core	star glass Extension	Theme		
are	afternoon	Olympics		
car	aren't	bearer

Must do:

• Practise your spelling words each day.

Remember to look, say, cover, write, check and correct each word.

Monday	Tuesday	Wednesday	Thursday	Friday
	24.7			
				* *
1 1 1				
12 A				- ,
		*		

Can do:

• Write each of your words like a pyramid.

Reading

Carefully read the recount Family Day at the Beach. Answer the questions.
 Remember to use capital letters and full stops.

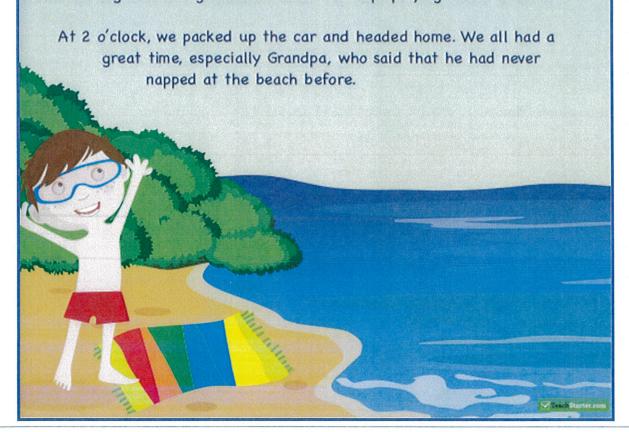

FAMILY DAY - at the Beach -

On Sunday, Mum, Dad, Tamieka, Todd and I went to Golden Beach for Grandpa's birthday. Grandpa used to be a Surf Life Saver and always loves visiting the beach.

After we picked up Grandpa at nine o'clock, we started the long drive to the beach. We drove past lots of tall buildings and went over a long bridge over a river. Finally, we arrived.

Aunty Carmel, Uncle John and our cousins, Susie and Andrew, were waiting for us. We had fun playing beach cricket and volleyball, then we went for a swim in the water. After our swim, we enjoyed some salad sandwiches, lemon ice blocks and some yummy chocolate birthday cake. Grandpa was exhausted and needed a nap after lunch. He napped on his beach towel under our big blue and green sun shade. We kept playing beach cricket.

4) What did	the family have fun doing?
4) What did	the family have fun doing? events in the correct order.
4) What did	the family have fun doing? events in the correct order. They packed the car and headed home.

	Comprehension Questions
6)	Write about a family picnic you have had.
	Draw a picture of your picnic in the box below.

and control	
enterlyday	

Writing

Handwriting

• Complete the handwriting task by tracing the words and then copying it below.

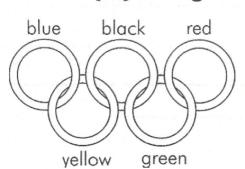

The Tokyo Olympics

officially begin on

the 23rd July 2021.

The Olympic Rings

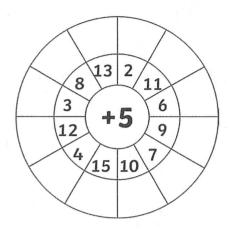

Editing
Choose ONE of the editing activities below to complete.
Option A is easier. Option B is more challenging.
You must find the mistakes and then copy the correct version onto the lines below.
Option A: • Find 2 spelling mistakes • Add 2 capital letters and 1 full stop
The tokyo Olympic Games opening ceremony is on the 23 rd Juli. some sports like softball and sokker start before this
Option B: • Find 2 spelling mistakes • Add 5 capital letters and 1 full stop
cate campbell and patty mills will carry the Australian flag at the openin ceremony. tokyo will be their fourth Olympics Every countri has one girl and one boy flag bearer.

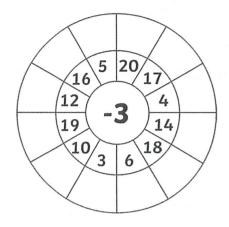

MONDAY - Mathematics

Minute Maths

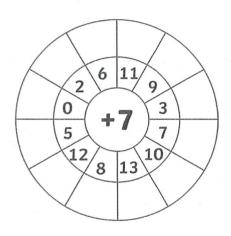

Choose a level and complete these addition and subtraction wheels. Add or subtract the middle number with each number around the outside.

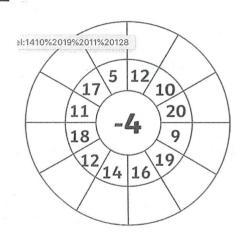

Level 1:

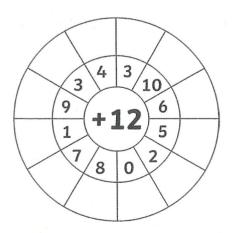

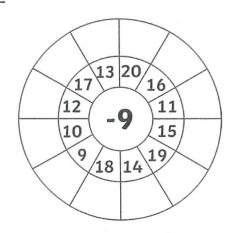

Level 2:

Level 3:

Number and Algebra - Must Do

Can you show how to split the top number into 2 parts?

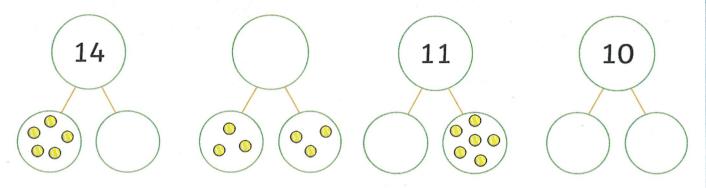

For example:

$$9 + 3 = 12$$

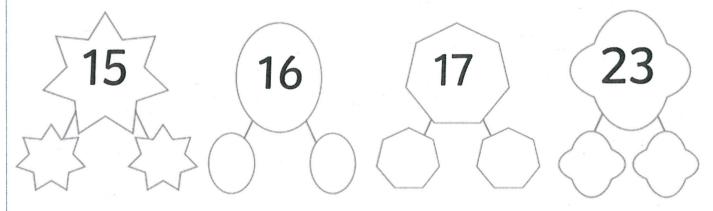

$$3 + 9 = 12$$

$$12 - 9 = 3$$

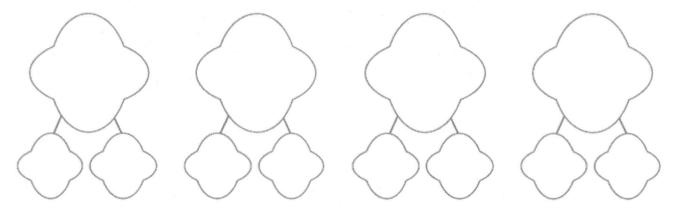

Level 1: Draw the two amounts needed to make the number in the top circle.

Level 2: Write two numbers needed to make the number in the top circle.

Level 3: Choose your own number but it must be 2 or 3 digits. Eg: 35, 72, 110, 500.

Number and Algebra - Can Do

Read the word problems and write the number sentence to match. Draw a picture or number line in the next box to show how you got your answer.

Word problem	Number sentence	Picture or number line
Addition and Subtraction to 100 Word Problems 1. If you have 67 slices of pizza and 15 slices are eaten, how many slices would you have left?		
Addition and Subtraction to 100 Word Problems 2. If you have 72 rubber ducks and are given another 17, how many rubber ducks would you have?		
Addition and Subtraction to 100 Word Problems 6. If you count 85 ladybirds in your garden and 21 fly away, how many ladybirds would be left?		
Addition and Subtraction to 100 Word Problems 5. If you find 49 wooden beads under the sofa and then find another 50 in a box, how many beads would you have?		
	?	

MONDAY - Science

What can we observe in the night sky?

Must Do:

• Look at the pictures below and brainstorm some of the things you might be able to see in the night sky.

What can you see in the night sky?

Watch the video by Dr Tanya Hill who will talk about the Moon and stars

Use the link or scan the QR code to watch

https://vimeo.com/70313349

After watching complete the activity below.

		What did you see?
		I see stars.
	I see	I see
		What do you think? I think there are millions of stars in the sky.
I think		I think
		I think
		I think
1" 2 //		I think
	3	What do you wonder? I wonder if you can see the Southern Cross from other countries? I wonder
I wonder		I wonder
		I wonder

I wonder_

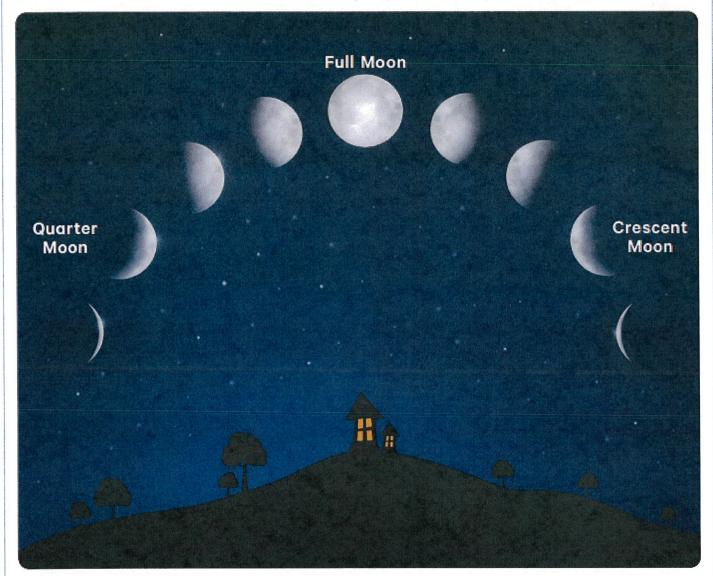

The Sun lights up
parts of the Moon as
it moves around the
Earth. We can see
the Moon's changing
phases (shapes) in
the night sky.

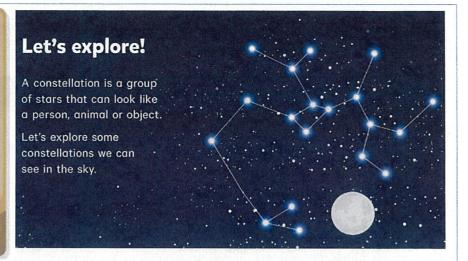

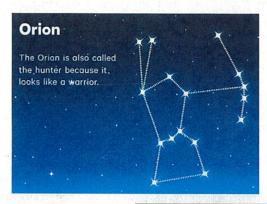

Use the chalk and black card in your pack to create your artwork.

Stars can appear in groups. These groups look like things we know. This is called a constellation.

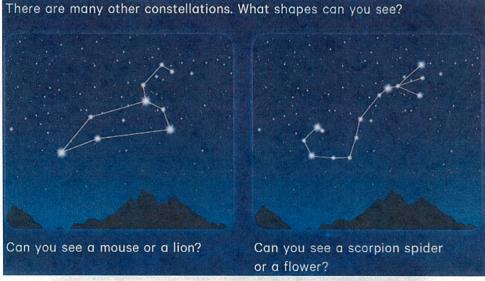

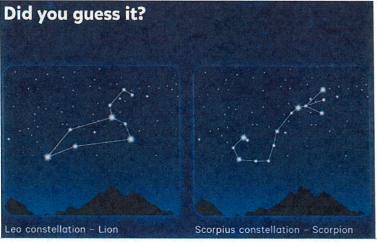

Southern Cross

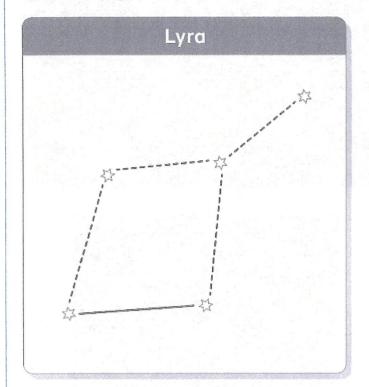

The Southern Cross is made of five stars in the shape of a cross.

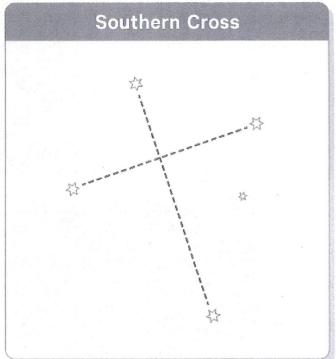

Draw the constellations by connecting the dots, then colour the stars and the night sky.

Can Do:

Use the website *Willy Weather* to find the current Moon phase. https://moonphases.willyweather.com.au/nsw/sydney/sydney.html

Crescent Moon

Gibbous Moon

Full Moon

Circle the name of today's Moon phase.

Draw what the Moon will look like in the sky tonight. Use the website Google Sky to investigate some more constellations.

https://www.google.com.au/sky/

Select constellations in the bottom menu.

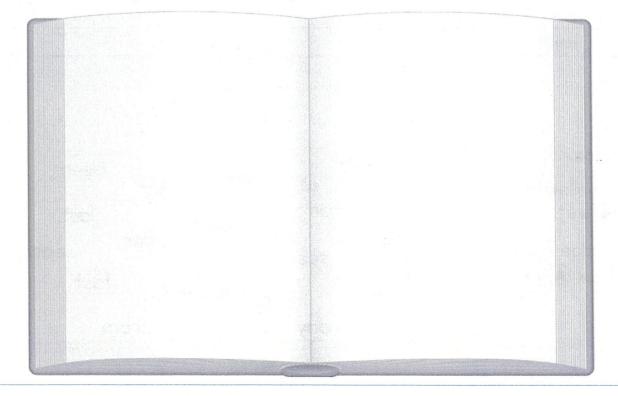

A. E.			
Name:		Name:	

Why is the night sky black?

Find out, then write and draw an information page to share with others.

TUESDAY - English

Spelling

Must do:

• Using the table in Tuesday's spelling, practise your spelling words.

Remember to look, say, cover, write, check and correct each word.

Read the sentence below. Can you find the common sound?
 Underline, circle or highlight the letter / letters that make the common sound.

"Are you going in the car to the farm?" said the father.

• The letters **ar**, **a** and **are** can all represent the same sound. Using the table below, brainstorm as many words that you can think of.

You may use the spelling lists to help you.

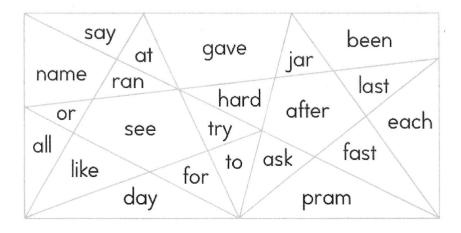

ar	star,
a	gl a ss,
are	aren't,

Can Do:

Say the words.

Colour yellow if you hear ** ara.

Colour blue if you don't hear **ara*.

Reading

• Look closely at the picture. Imagine you are walking along this path. What do you think you would see, smell, hear or do along the path? Use the picture to complete the questions.

Must Do:

Narrative

Purpose: to entertain, amuse or take the reader on a journey.

Writing

Introduction to Recounts

Over the next two weeks, we will be learning about recounts.

Recounts retell events that have happened in the past.

Personal recounts retell a special event or experience in an entertaining way. You might write a personal recount about:

a sports match

a snowy day

a day at school

lust do:			
Vhat else could you write a personal recou	unt about?

Must Do:

Watch 'Diary of a Worm' on YouTube: www.youtube.com/embed/8h3X2DWzoq4

• Answer the 5 W questions. You may like to write and draw your answers:

WHO does Worm want to work for when he						
grows up?						4
						10 20
WHAT happened when Worm tried to teach			-			7
Spider to dig?						
WHEN did Worm do the hokey pokey?						* 1
						,
		,		-		
WHERE did Worm and his family go after it rained?						
ramed?						
WHY was hopscotch a dangerous game?	,					

TUESDAY - Mathematics

Minute Maths

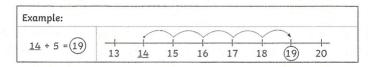

Fill in the missing information so the number sentence is correct. Choose a level to complete.

Level 1:

Level 2:

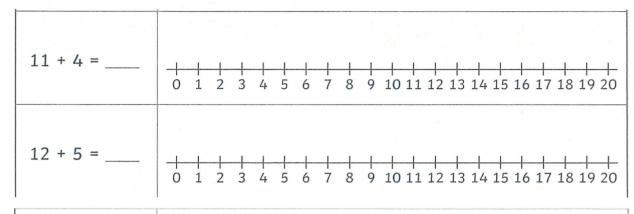

Number and Algebra - Must Do

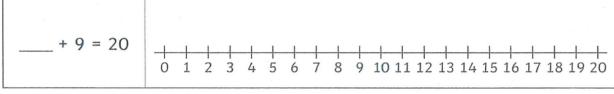

We can use number lines to help us add or take away numbers.

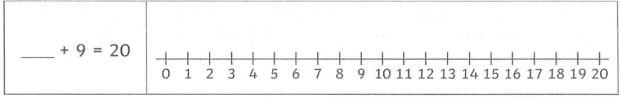

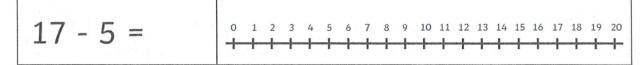

Choose a level and complete the number lines to solve the question.

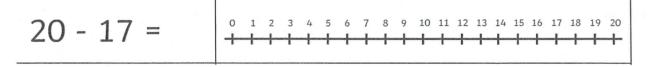

Level 1:

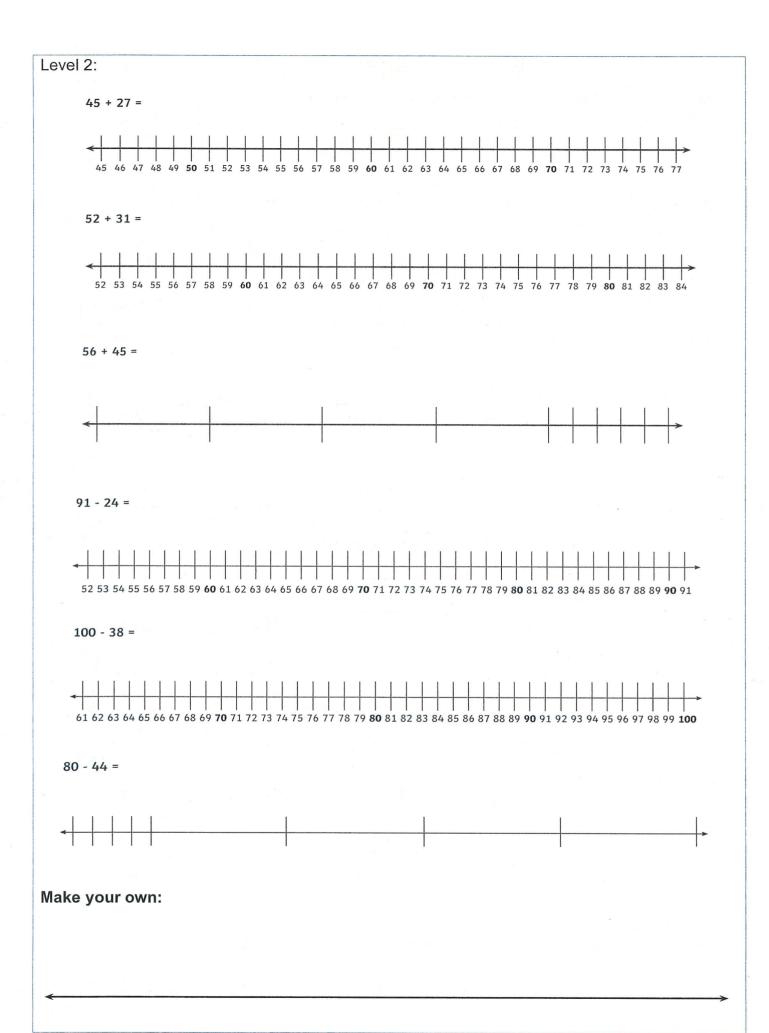

Make your own:

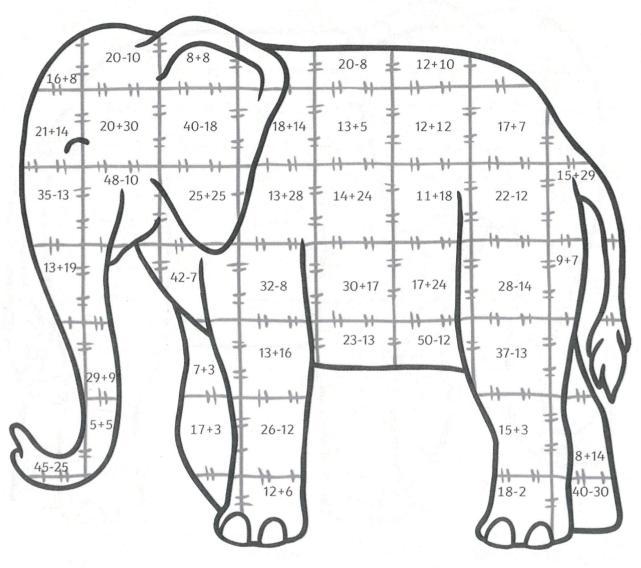

Number and Algebra - Can Do

Option A (a bit easier): Use a number line to help you colour in the elephant using the answers below.

Addition and Subtraction to 50 Colour by Number

Solve the calculations to work out what colours to use.

10 or 29 = yellow

18 or 41 = purple

12 or 32 = orange

20 or 44 = black

14 or 35 = blue

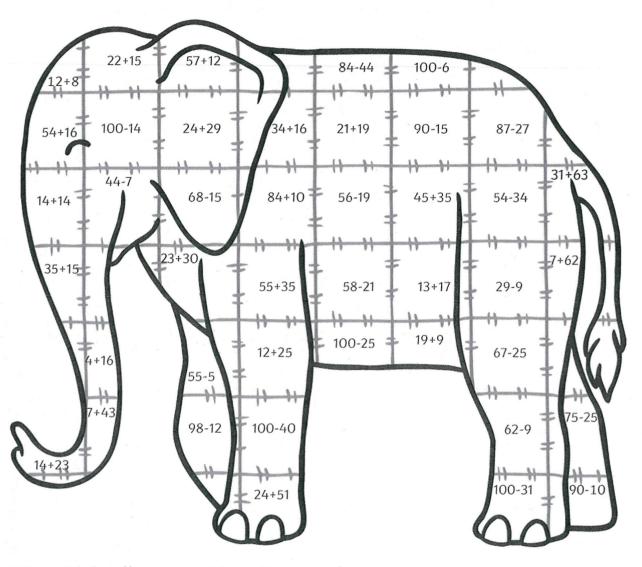

22 or 47 = pink

16 or 38 = red

24 or 50 = green

Addition and Subtraction to 100 Colour by Number

Solve the calculations to work out what colours to use.

20 or 28 = yellow

60 or **69** = purple

30 or 37 = orange

70 or 75 = black

40 or 42 = blue

80 or 86 = pink

50 or 53 = red

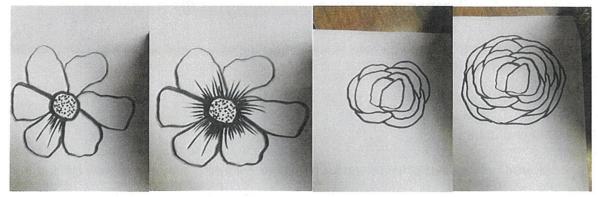

90 or 94 = green

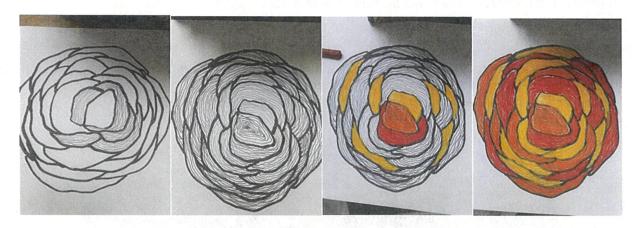

TUESDAY - Art

The activities below are meant to be completed over week 2 and week 3

Hi Stage 1,

I hope your flowers are going well. Here is an example of the flowers I drew.

If you haven't already please colour yours in now.

This is a great website if you are interested in further art activities https://www.tate.org.uk/kids

The artist we are going to look at is Rosalie Gascoigne.

Her artwork is very interesting, she collects items from the environment to create her works.

Have a look at some of her artwork by clicking on the link

https://www.pinterest.com.au/leeplas/rosalie-gascoigne/

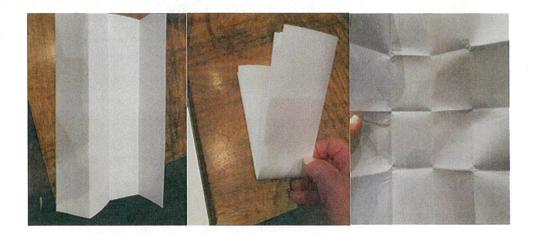

Aim / goal: You are going to create your own Rosalie Gascoigne inspired artwork by using the letters in your name or a word or words.

You will need:

- An A4 piece of paper
- A pencil
- Paint/coloured textas/oil pastels/crayons whatever colouring in materials you have at home
- Scissors
- A piece of cardboard this could be one side of a cereal container

Method / steps:

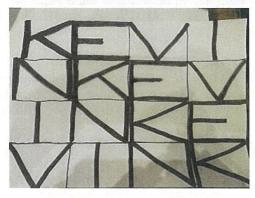

- 1. Take your paper and start folding it in half lengthwise and half again (see the photo below). Your mum or dad may have to help you with this part.
- 2. Then fold it the other way so your paper ends up looking like this.

3. With a black pen draw lines where the folds are

4. Now begin to write a word or two. It could be your name or the names of your pets. Can you guess whose name I'll write?

You guessed it our dog Kevin

5. Make sure your letters fill up most of the square. Now colour each row in a different colour.

6. Before you cut out your squares trace your whole shape onto the cardboard.

7. Cut them out and arrange them on to your cardboard background.

This is just an example. As I always say do your own and use your imagination. You might decide you want to add a pattern on the background or even make your letters smaller or take a few ideas from Rosalie and mix it up a bit.

Have fun - Mrs Plasto

WEDNESDAY - English

Spelling

Must do:

Using the table in Tuesday's spelling, practise your spelling words.

Remember to look, say, cover, write, check and correct each word.

Write ar in the spaces. Join each word to its clue. * We sometimes write ar for a as in star

- ____ † • opposite of soft
- h _ _ d knows a lot
- p ___ ty not all of it
- sm __ _ t lots of fun
- st___t begin

Write a in the spaces. Join each word to its clue. * We sometimes write a for ara, as in glass.

- st
- group of children
- f st • holds a drink
- C SS opposite of first
- a ss opposite of before
- fter • opposite of slow

Can do:

Write Are, aren't, after or asked to finish the sentences. Cross out each word as you use it. Colour all the *ara words.

There any slow cars in this race.

We _____ if we could drive across the grass.

we going to the party _____ the race?

Count the number of sounds in the words.

Colour -

- 2 sound parts black
- 3 sound parts blue
- 4 sound parts red.

	ask	shark	park har	pass
dark	past	grass	part	dart
party	fast	class	last start	glass
card	car	mark	far	farm

Reading

Test your predicting skills.

Choose a level and guess what will happen next.

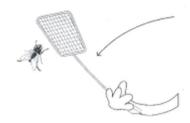

Level 1:

Making Predictions with Pictures

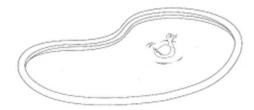

Using the pictures, predict what you think will happen next.

John was fast asleep...

Jane went to swat the fly...

The duck was swimming in the pond...

Thomas was pushing the wheelbarrow up the hill...

Making Predictions

Can you predict what is going to happen next?

 Jonathan was looking up at the sky when his friend the 	rew him the
football	
2. The sky grew dark, the wind began to blow and sudde	enly
3. Jane worked really hard on her school project about	gardening and
was pleasantly surprised when	
4. Declan rode his bike over some broken glass on the fo	ootpath
5. Amy was rollerblading across a footpath, but she did	n't know there
was a broken tree branch across the path	
	-1
I picked a beautiful red rose from the garden, sudder	шу
7. Mum turned on the tap to run us a bath, she walked	away
	•

Level 3:

Going on Holidays

Making Predictions

The day had finally arrived... school had ended and the holidays had begun!

I was filled with great excitement. Tomorrow my family and I were heading off on our annual holiday.

I took out my big green and blue suitcase from the

bottom of my wardrobe, threw it onto my bed and quickly unzipped it. An old musty smell burst out of the bag, so I drowned it with some of my mother's best perfume. Inside were the remains of who knows what from the bottom of my old boots and an old lift pass. After making my suitcase nice and clean again, I started gathering all the things I would need for my holiday.

I slowly loaded my suitcase with warm clothes. I packed my beanie and gloves, along with the long stripy scarf Nan knitted me. I couldn't wait to try the sleek new goggles my friend Sam leant me, I hoped that they would make me go faster!

Lastly, I packed some pocket money so I could buy a delicious hot chocolate at the end of my

Do you think the main character will go on the same holiday again next year?

Explain a reason for your prediction

fun days.

(6) teachstarter

Minute Maths

Use your Friends of 10 or friends of 20 to finish these number bricks.

10 10 5 10 4 10 8

W

Level 1:

Level 2:

Number and Algebra - Must Do

We can use addition and subtraction to create number families to show how numbers work together. For example, if you had the numbers 5, 6 and 11 we could create a number family about these numbers. Two addition sentences and two subtraction sentences:

5 + 6 = 11

6 + 5 = 11

11 - 6 = 5

11 - 5 = 6

Use the 3 numbers in the box to create your number families.

Level 1	10, 10, 10	Level 2	
+ =	8	+	13
+ =	5	+ =	28
	13		15
	17	+ =	25
+ =	9	+ =	55
	8		80
+ =	9	+ =	23
+ =	19	+	50
	10		30

Number and Algebra - Can Do

Addition and subtraction are opposites. This means we can use them to prove if something is correct! For example, how can we find out the missing number in this **addition** sentence:

We can turn the sentence into a **subtraction** sentence by using the same numbers backwards:

This means the missing number must be 6.

Let's check...

$$4 + 6 = 10$$

Find out the missing number by turning the number sentence back to front.

The first one has been done for you. (Tip: Use colours like I did to help you put the numbers in the right order) Number sentence Is this addition or Change it around! Answer subtraction? 10 + ____ = 18 18 - 10 = 8Addition 8 12 + ___ = 25 50 - = 10 100 - ____ = 80 + 18 = 30 + 23 = 41 -30 = 20-14 = 6

WEDNESDAY – Library

Hi Stage 1, enjoy this week's library lesson.

Use the link below or scan the QR code to view the book

'Koala Lou' by Mem Fox

http://www.viewpure.com/Z4vEj8TMkW4?start=0&end=0

KOALA LOU – THE BUSH OLYMPICS

Koala Lou and Koala Klaws competed in the Gum Tree Climbing event at the Bush Olympics.

Think of three or four other bush animals that could compete at the Bush Olympics. Make-up an event that you think each animal would compete in and explain why they would be good at it.

Use some spare paper to draw them competing. Which animal will wear the gold medal?

Animal	Event	What features will make them good competitors in their event?
Koala	Gum Tree Climbing	Koala's front and back paws have long, sharp, claws, perfect for climbing trees. They have strong arms and powerful legs to help them reach the fork of the tree.

The winner of a gold medal is	
-------------------------------	--

THURSDAY - English

Spelling

Must do:

• Using the table in Tuesday's spelling, practise your spelling words.

Remember to look, say, cover, write, check and correct each word.

Can do:

Syllable Sort

Write your spelling words in order from the least amount of syllables to the most. Words with the same number of syllables should be in alphabetical order.

Spelling Task Cards

(C) teachstarte

Reading

Eye Spy Challenge!
Test your skills and answwwer the following questions.

Search-a-Rooney #1

Questions

 Name five animals you can see on this page. What are some other animals you can't see? 						
2. Describe something on After, find out what it is.	the page that you have never seen before.					
3. Complete these sentend	ces					
The monkey is	the cup.					
The penguin is	the post box.

The Eiffel Tower is	the elephants.					
	hing in the Search-a-Rooney? Why?					

Writing

Language Features in Recounts

- Personal recounts use personal, descriptive language.
- Here are some examples of the language features you might find in a personal recount:
 - personal pronouns
 - action verbs in past tense
 - emotive words
 - descriptive words
 - time connectives.

Personal Pronouns

These words take the place of people's names.

e.g. I, you, he, she, it, we, they.

Past Tense Action Verbs

These words describe what people have done.

e.g. ran, played, slept, drove, skipped.

Emotive Words

These words describe how people feel.

e.g. happy, scared, tired, angry, excited.

Descriptive Words

These words describe objects and actions.

e.g. huge, gentle, sharp, slowly, carefully.

Time Connectives

These words help to order events.

e.g. firstly, next, then, afterwards, finally.

Must Do:

Find the personal pronouns, past tense action verbs, emotive words, descriptive words and time connectives in the recount below.

Last winter, my family and I camped up in the mountains.

Firstly, we built a large camp site. It was fun but exhausting!

After that, we all helped to collect firewood. I found three logs that were the perfect size and shape for our camp fire.

Finally, we roasted marshmallows over the roaring fire. I was so warm and happy. We sat around the camp fire for hours.

I loved our camping holiday in the mountains.

The answers are on the next page

Did you find all the personal pronouns, past tense action verbs, emotive words, descriptive words and time connectives?

Last winter, my family and I camped up in the mountains.

First, we built a large camp site. It was fun but exhausting!

After that, we all helped to collect firewood. I found three logs that were the perfect size and shape for our camp fire.

Finally, we roasted marshmallows over the **roaring** fire. I was so **warm** and **happy**. We sat around the camp fire for hours.

I loved our camping holiday in the mountains.

Can Do:

Watch 'recount text about birthday party' on YouTube www.youtube.com/embed/wsS8S7CmMwM

Can you identify any of the language features from the video?

THURSDAY - Mathematics

Minute Maths

This week we are learning about 3D objects. These are objects that you can hold and that take up space. 2D shapes are different! 2D shapes such as pentagons are shapes that you can see but you can't hold them.

Using the word bank, write the correct name of each 2D and 3D shape below.

rectangle circle prism
cube sphere triangle
cone square

Circle the items that are 3D objects. Remember – you can HOLD a 3D object. You can't hold a 2D shape.

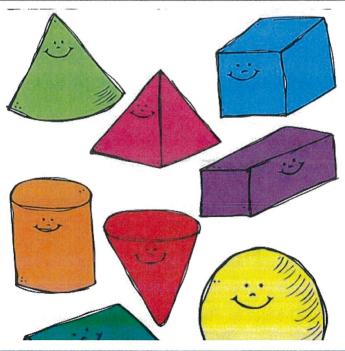

Measurement and Geometry - Must Do

Scan the QR code or use the link below to watch a video about 3D objects before completing the table.

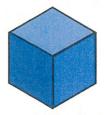

https://www.youtube.com/embed/3-QwWFkz5hw

	Flat surfaces	Curved surfaces	Vertices (or corners)	Does it roll?	Can you stack it?
Cube					
Cylinder					
Sphere				. •	
Rectangular Prism		* .			
Cone			, ad		
Triangular Pyramid					

Measurement and Geometry - Can Do

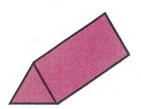

Which statement is false? Which statement is true?

٨	It is a	a cube
Janes V	11 12 (

B It has 5 faces

C Its faces are squares

Δ	1†	is	a	prism
	11	IJ	u	PHISH

B It has 7 vertices

C It has 6 faces

Which statement is false? Which statement is true?

A It is a cone

B It has 1 vertex

C It has 3 faces

A	It has	2 faces
---	--------	---------

B It has 3 vertices

C It is a cylinder

Which statement is false? Which statement is true?

A It has a square base

B It is a pyramid

C It has 7 edges

A It has 0 faces

B It has 1 vertices

C It has 0 edges

THURSDAY - PDHPE

Lesson 3- Emergency Situations

Key Safety Messages

- Ringing 000 in an Emergency
- Knowing my Address
- Recognising situations that require an emergency

Activity 1 - Complete the worksheet below

What's My Address and Telephone Number?

Do you know your address and phone number?

It is important to learn your address and phone number because in an emergency situation you may need to tell the police, firefighters or paramedics where you live.

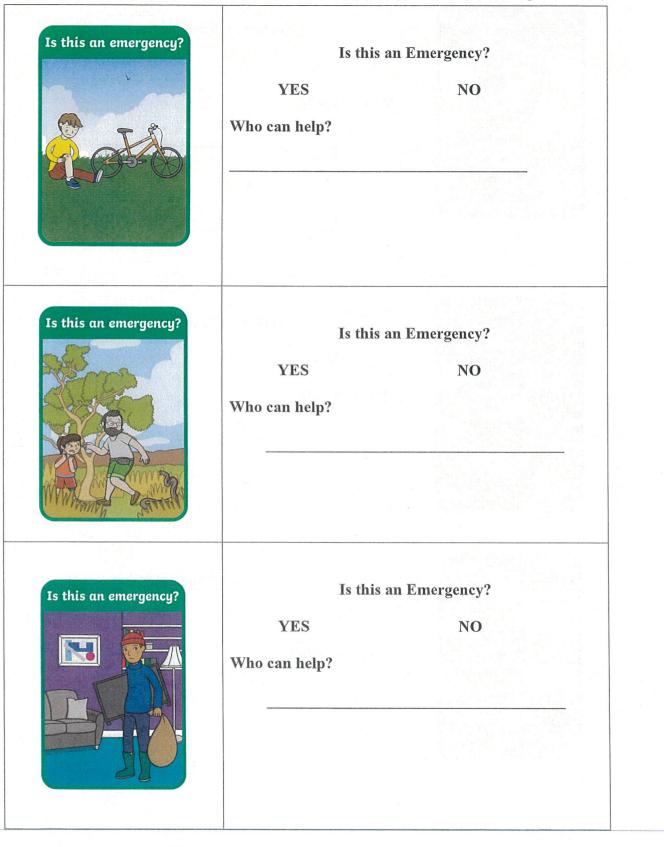

wittere god tive.		
House number:	Street:	
Town or suburb:	State:	
Phone number:		
What number do you need to call in ar	n emergency?	
I have memorised my address:		ADV-1200
I have memorised my phone number:		

Activity 2 – Recognising Emergency Situations and who to call to help.

Look at the pictures in the left hand column and answer the questions in the right hand column.

Is this an Emergency?

YES

NO

Who can help?

Is this an Emergency?

YES

NO

Who can help?

Is this an Emergency?

YES

NO

Who can help?

Activity 3 — This Week's PE Activity. Complete the Fitness for Fun Board Game with your family.

0					a Yo		
You tripped over! Go back to the start		Do 5 push-ups	F	Jump from side to side for 30 seconds	You didn't eat your vegetables for dinner. Go back!	E	FINISH

Game

lay

Activity 4 – Learning through Other Cultures – PE Activity Read through the information on how to play "Nanyima" and play with your family.

Background

Catch-ball garnes were played in many places. The balls used were made of seeds, stones, clay, seaweed, grass, hair-string and stuffed fur. In one game a player tosses a stone (ball) over his or her shoulder to a number of players and attempts to guess who caught the stone.

Language

Nanyima means 'to play about' in the language of Aboriginal people from the northwest district of Victoria.

Mainangyer, wida umeit warreete, umuk perperduuk

Now let us see who throws out the farthest. Throw it out.

(From the language of Aboriginal people from an unidentified part of Victoria.)

Short description

A player throws the ball over his or her head (and behind) to a group of players and then attempts to guess who has the ball. This activity is suitable for younger players.

Players

Groups of six to eight players

Playing area

A designated area suitable for the activity

Equipment

A soft ball

Game play and basic rules

- A player with a ball stands 5–10 metres in front of a group of players and facing away from them.
 The player then throws the ball high and back over his or her head to the group of players.
 These players attempt, without physical contact, to catch the ball.
- When a player has caught the ball (or secured it if it drops to the ground), the player who threw the ball must guess who caught it.

Variation

 To help the thrower guess who has caught the ball the catcher might have to say something.
 The catcher can attempt to disguise his or her voice.

Teaching points

- · Player in front with the ball.
- · Face away from the group.
- · Throw it high back over the head.
- · Ready, Go.
- Call for the ball. Watch out for other players.
- Take the catch. Good. Guess who it is?

FRIDAY - English

Spelling

Must do:

• Using the table in Tuesday's spelling, practise your spelling words.

Remember to look, say, cover, write, check and correct each word.

• Have a family member test you on your spelling words. How did you go?

Can do:

Create a wordsearch using your own words list.

	البالمانية المنا	5 N. WY	I GENERALI	til that	ny yo	DEF STATE	C WWW.	CAD ILEAN CA	
									,
-						-			
							2		
						-			
	_	-							Makapa sagapurakan di Prikaran sagaran Amerika Ak

		-	-						
	-								

Write your word list here:

Reading

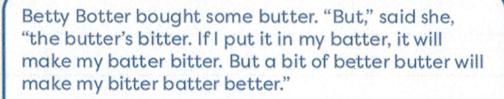

Read these tongue twisters. Be careful not to get your tongue in a twist!

Read through them slowly at first and then try to read them faster. Good luck!

TONGUE

Wendy wants to write in white –
Which isn't always easy,
When what you write upon is white
White writing won't do well,
Wise writers write
With another wonderful colour.

Janeen Holzberger

So she bought some better butter, better than the bitter butter, put it in her bitter batter, made her bitter batter better. So t'was better Betty Botter bought some better butter.

Author Unknown

	Tongue Twisters
	Tongue twisters use many words that have a repeated sound. In the first tongue twister, lots of words begin with the 'w' sound. Write them below.

	list of other words you know that begin with this sound.
MARKAGA	
nonie extensis	
u l	know any other tongue twisters? Write it down.
NAME OF TAXABLE PARTY.	

Writing

Time Connectives

Must Do:

Watch 'The Time Adverbials Song' on YouTube www.youtube.com/embed/seaeluxlsqw

Sort the connectives into the table:

- Firstly
- First of all
- Soon
- Then
- Next

- Afterwards
- Suddenly
- Last of all
- Finally
- In the end

Beginning connectives	Middle connectives	Ending connectives
		*

Can you add your own time connectives to the table?

Read the recount below. See if you can identify any time connectives. Label the time connectives as:

- beginning connective
- middle connective
- ending connective

Personal Recount-My Wonderful Weekend

On the weekend, my cousins came to stay from out of town. Their names are Jeremy and Georgia. I love spending time with them.

Firstly, we went to the huge playground at the park near our house. Jeremy, Georgia and I pretended that we were fierce pirates. We felt so brave, bold and adventurous!

After that, we had a picnic lunch on the grass under the trees. We ate some delicious sandwiches, fruit and cake. Jeremy loved the chocolate cake so much that he ate three pieces!

Next, we all went to the cinema. My cousins and I felt overjoyed and very excited about going to see a movie. It was scary and funny with a happy ending.

I loved spending the weekend with Jeremy and Georgia. I feel so lucky to have such wonderful cousins. I hope they can come and stay at my house again very soon.

Can Do:

Play the 'Unscramble the Dragon's Jumble Dream' game on the ABC Splash website. https://education.abc.net.au/home#!/media/31743/dragon-s-jumble-dream-four-parts

FRIDAY - Mathematics

Minute Maths

3D objects can be tricky to draw. Scan the QR code below to watch a video that will teach you how to draw 3D objects! Do some practice and then draw your best 3D object in the boxes below.

		Or use the link!
TO COMPANY TO THE PARTY OF THE		
The second secon	And the second s	
	- A - 6	
	- W - 6	
		atter springer in Formation
	-> /-> /	Para Carlo Province

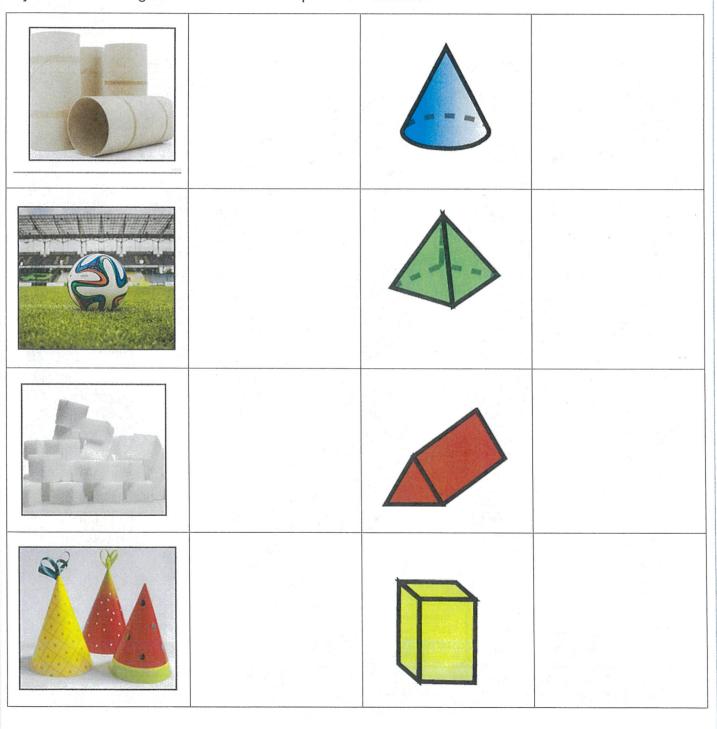

Measurement and Geometry - Must Do

3D objects have surfaces and faces that look like 2D shapes.

For example, a cube has faces that look like squares.

Name the 2D shapes you can see in the faces or surfaces of these 3D objects. Some of these 3D objects are drawings and some are examples from real life.

Measurement and Geometry - Can Do How to Play 1. You will need dice and counters. 2. Roll the dice and move forward the correct number of spaces. 3. Answer the question or follow the instructions on the space. Shape 4. If you answer incorrectly, move back to your previous position. 5. If you land on a star, you can stay on the space without having to answer a question. 6. The winner is the player who reaches 'Finish' first. How many Have an edges does extra Start a hexagonal prism have? turn. What 3D Name this 3D shape does shape. this net belong I have 5 faces. to? 4 of them are triangular and 1 is square. FRIDAY - Music

Year 1 and 2 Term 3 Week 3

Hi everyone, welcome to the week's music lesson. This week we're focusing on The Olympics.

Warm-up: choose a character and copy their movements.

https://www.youtube.com/embed/0FLVPIKPn_c

Have a think about the role of music in the Olympics. What part does music play? Discuss it with your family and see what you notice if you're watching any Olympic events.

Attached is a list of sports which are part of the Olympics. Say and clap the rhythm of each sport written next to it.

Archery	J		Badminto	nЛJ		Basketb	all J	J	
Boxing]]		Fencing	JJ		Gymnas	tics	J	J
Sailing	11	6	Skateboai	rding .	J	Soccer	Л	3	
Table Tenr	nis J		Trac	k and F	ield	ЛЈ			
Water Pol	оЛЛ								

Choose four of the sporty rhythms and make them into a pattern. For example, you might choose:

surfing	skateboarding	table tennis	hockey
]]	ונו	תת	11

Here is a table for you to write your pattern in:

	1,00	17 g ar	A10 7 11 1
~		7 "	

Try to say and clap your rhythm pattern in time with a steady beat.

Here is a steady beat for you to use:

https://www.youtube.com/embed/4SDBJp_B5qQ

Next, perform your rhythm to a fast beat then to a slow beat. Use your feet to keep the beat and your hands to clap the rhythm. It might be tricky, but practice will help!

Listen to the National Anthem of the country your class might have chosen during the Olympic games.

Finally, here's a little song that I want to sing with you when we all get back to school:

https://www.youtube.com/embed/t6PKcnTGVX4

Have fun 💿
