1/KW Class Catch Up and Check In Meetings ZOOM INFORMATION WEEK 5 TERM 32021

The Zoom meeting ID and passwords for this week are:

| Class | Zoom Meeting ID |  |  | Zoom Meeting Password |
| :--- | :--- | :--- | :--- | :--- |
| KW | Morning am | Afternoon pm | Morning am | Afternoon pm |
|  | 67951474657 | 63300691374 | $\mathbf{9 4 0 7 9 2}$ | $\mathbf{0 2 1 6 8 4}$ |
| 1W | 67551914520 | 61853453690 | 697065 | $\mathbf{6 4 4 3 8 3}$ |

Each class will have a Zoom meeting in the morning and another, with different content, in the afternoon. Each session will be approximately $30-45$ minutes as indicated. Students are expected to attend both the morning and afternoon session each day. The video conference room is like a classroom, and the same school behaviour and discipline policies apply to this environment. Students need to access Zoom via https://nsweducation.zoom.us/ and are required to use their DoE student portal login to gain access. The DoE user ID and DoE password will be the same as last week.

Monday 9 August, Tuesday 10 August, Wednesday 11 August, Thursday 12 August and Friday 13 August

| Time | Class |
| :--- | :--- |
| 9.30 am | KK \& KW \& 5T \& 6B |
| 10.30 am | 1F \& 1W \& 2M \& 2R |
| 11.30 am | 3R \& 3H \& 4H |
| 12.15 pm | KK \& KW \& 5T \& 6B |
| 1.30 pm | 1F \& 1W \& 2M \& 2R |
| 2.15 pm | 3R \& 3H \& 4H |

## Week 5 Term 3 - Learning from Home Stage 1 Year 1 and 2

You may need help from a parent/carer and possibly resources from your teacher.

Two activities have been selected for feedback. They are highlighted on the timetable.

|  | Monday | Tuesday | Wednesday | Thursday | Friday |
| :---: | :---: | :---: | :---: | :---: | :---: |

## MONDAY - English

## Spelling

- Ask a family member to pre-test you with the Week 5 spelling words. If a family member cannot help you, choose words that you find tricky to spell.

| Year 1 students should | Year 2 students should |
| :---: | :---: |
| choose 10 words from the |  |
| spelling list to complete the |  |
| daily activities. | the spelling list to complete <br> the daily activities. |

| Year 2 Week 5 Spelling Words |  |  |
| :---: | :---: | :---: |
| ir ur or er bird nurse world fern |  |  |
| Core | Extension | Theme |
| girl | burst curly curtain |  |
| bird |  | adjective |
| third |  | verb |
| thirty | furniture | adverb |
| circle | further | onomatopoeia |
| turn | journey | simile |
| burn |  | metaphor <br> alliteration |
| purse | observe |  |
|  | pearl | Demon |
| nurse |  | embarrass |
| early | person | shriek |
| work | purple | broccoli |
| word | return | kimono |
| worm | search | parallel |
| world | service | queue plausible |
| term | stirred |  |
| fern | surface | pyramid cryptic typical |
| were | Thursday |  |
| weren't | turkey |  |
| herd | turtle |  |
| heard | worse |  |

## Must do:

- Practise your spelling words each day.

Remember to look, say, cover, write, check and correct each word.

- Say

Monday
-

|  |  |  |  |  |
| :--- | :--- | :--- | :--- | :--- | :--- |
|  |  |  |  |  |
|  |  |  |  |  |
|  |  |  |  |  |

|  |  |
| :--- | :--- |
|  |  |

|  |  |  |  |  |
| :--- | :--- | :--- | :--- | :--- |
|  |  |  |  |  |
|  |  |  |  |  |
|  |  |  |  |  |
|  |  |  |  |  |
|  |  |  |  |  |
|  |  |  |  |  |
|  |  |  |  |  |
|  |  |  |  |  |
|  |  |  |  |  |
|  |  |  |  |  |

Can do:

## Rainbow Writing

Write each of your spelling words in your book using a different colour for each letter.

## apple

Reading
Carefully listen to the story of Tiddalick the Frog.
https://www.youtube.com/watch?v=z8BwIP7cc80

Complete the following

## Writing

## Handwriting

- Today we will be practicing our letters that go below the lines:
y q p jg
- Watch the short videos and copy along.

yqpjgyqpjg
yellow queen pig jar gag yell quick pretty jelly goldfish

## Editing

Choose ONE of the editing activities to complete below.

## Option A is easier

## Option B is more challenging

Option A = The Beach

Find the mistakes in this text. You will need to:

- find and fix 3 spelling mistakes
- add 4 capital letters
- add 2 full stops and 1 exclamation mark.
tess wondered what they would do at the beach today They culd make sandcastles and swim. maybe thay could play beach cricket with ryan and his family. Ryan was camping nearby he allways knew how to have fun

Write the text correctly on the lines below.

Correct the text using editing marks. There are 15 errors to find.
when you make slime, you is learning about chemistry chemistry is all about how different materials, such as likuids, solids and gases, are made up of tiny Atoms and Molecules.
slime is neither a liquid nor a solid. It known as a non-Newtonian fluid becaus it can be picked up like a solid but can ooze between your finger's like a liquid when you mix contact lens solution with PVA glue, a chemikal reaction occurs that creates the slime

| Editing Marks |  |
| :---: | :---: |
| Capital letter | 三 |
| End punctuation $\bigcirc$ (1) | O(1) (3) |
| Insert a word | 人 |
| Change to lower case /ic. |  |
| Take something out 07 |  |
| Check spelling ${ }^{\text {sp }}$ |  |
| New paragraph Il |  |

## Write the text correctly on the lines below.

## MONDAY - Mathematics

## Minute Maths

Help the rabbit find the path to the carrot through the maze by counting on by 5 s .

Make a path to the carrots for the rabbit to follow by writing a skip counting pattern. Don't forget to write the incorrect numbers too so your path is harder to find.
You could try:

- Skip counting by 2 starting at 0
- Skip counting by 10 starting at 0
- Skip counting by 2,5 or $\mathbf{1 0}$ starting at a number other than 0

## Number and Algebra - Must Do

Level 1: We can use equal groups to find a total. If I used 3 buckets to gather some stars and I put 4 stars in each bucket, my stars would look like this. I could count them from 1 or I could skip count to find the total.

3 groups of 4 stars
$=12$ stars altogether

Complete the table by drawing equal groups to work out the total of each question. Use skip counting to help you find the total.

| Question | Picture | Total |
| :---: | :---: | :---: |
| 3 groups of 4 |  | 12 |
| 5 groups of 2 |  |  |
| 4 groups of 5 |  |  |
| 5 groups of 4 |  |  |
|  |  |  |
|  |  |  |
|  | $000(000)(000)$ |  |

Level 2: We can use arrays to show a total. An array has rows (that go from side to side) and columns (that go up and down). An array can be a grid or dots or pictures. For example:

| Equal groups: | Array: |
| :---: | :---: |
| 3 groups of 4=12 | 3 rows of 4 or $3 \times 4=12$ |

Complete the table by drawing equal groups to work out the total of each question.

| Question | Array | Total |
| :---: | :---: | :---: |
| $3 \times 4$ | $\begin{aligned} & \because \because: ~ \\ & \because \because: \end{aligned}$ | 12 |
| $5 \times 2$ |  |  |
| $4 \times 5$ |  |  |
| $5 \times 4$ |  |  |
|  | $\begin{aligned} & \text { BQAB } \\ & \text { BQRQ } \\ & \text { QRAD } \end{aligned}$ |  |
|  |  |  |
|  |  |  |

## Number and Algebra - Can Do

Colour in the skip counting pattern using the instructions below:

1. Skip count by 2 : colour the box in yellow
2. Skip count by 5 : circle the number in blue
3. Skip count by 10: tick next to the number in green
4. Skip count by 3: draw an orange diamond around the number
5. Pick a different skip counting pattern and show it in your own way (eg: draw a star around each number)

| 1 | 2 | 3 | 4 | 5 | 6 | 7 | 8 | 9 | 10 |
| :---: | :---: | :---: | :---: | :---: | :---: | :---: | :---: | :---: | :---: |
| 11 | 12 | 13 | 14 | 15 | 16 | 17 | 18 | 19 | 20 |
| 21 | 22 | 23 | 24 | 25 | 26 | 27 | 28 | 29 | 30 |
| 31 | 32 | 33 | 34 | 35 | 36 | 37 | 38 | 39 | 40 |
| 41 | 42 | 43 | 44 | 45 | 46 | 47 | 48 | 49 | 50 |
| 51 | 52 | 53 | 54 | 55 | 56 | 57 | 58 | 59 | 60 |
| 61 | 62 | 63 | 64 | 65 | 66 | 67 | 68 | 69 | 70 |
| 71 | 72 | 73 | 74 | 75 | 76 | 77 | 78 | 79 | 80 |
| 81 | 82 | 83 | 84 | 85 | 86 | 87 | 88 | 89 | 90 |
| 91 | 92 | 93 | 94 | 95 | 96 | 97 | 98 | 99 | 100 |

## MONDAY - Science

## How can weather change?

Under the yellow umbrella, brainstorm some words that you might hear in a weather report.
The pictures below may help you

Keep a weather diary for a week. Record what you see and feel with words and pictures.
You will share your weather diary with your class on a Friday Zoom

What shape can you see in the clouds?

Are there clouds in the sky today? Draw what they look like.

Which do you think is more dangerous? Thunder or lightning? I think that $\qquad$
Draw and write why you think that.

## TUESDAY - English

## Spelling

## Must do:

- Using the table in Monday's spelling, practise your spelling words.

Remember to look, say, cover, write, check and correct each word.

- Read the sentence below. Can you find the common sound?

Underline, circle or highlight the letter / letters that make the common sound.

## The girl turned to the bird and gave him a worm to eat.

## She heard the bird give a slurp!

- The letters ir, ur, or and er can all represent the same sound. Using the table below, brainstorm as many words that you can think of.

You may use the spelling lists to help you.

| ir | bird, |
| :---: | :--- |
| ur | nurse, |
| or | world, |
| er | fern, |

## Can Do:

Write ir or ur to finish the words. Colour ir parts blue.
Colour ur parts purple.

What can you see -
 a girl, a shirt or a bird?

Answer: $\qquad$

## Reading

Listen to the story of Mr Chicken All Over Australia. Listen carefully for all the places Mr Chicken visits.

Log on to https://www.storyboxlibrary.com.au/stories/mr-chicken-all-over-australia

| Need a helping hand? Choose an answer from the list. |  |  |  |  |
| ---: | :--- | :--- | :--- | :--- |
| Sydney | Great Barrier Reef | Coober Pedy $\quad$ Quokka | Melbourne |  |
| crocodile | Poowong | pineapple | Big Prawn | Lamington | Coffs Harbour |  |
| :--- |

## Can Do: Challenge

Work with a family member to help you find these places in Australia.

## Writing

This week we will be looking at Explanation Texts

An explanation text tells your audience how something works or why something happens.

## What is an explanation text?

DON'T GET CONFUSED BETWEEN EXPLANATION TEXTS AND PROCEDURAL TEXTS.

An explanation text is similar to a procedural text, and these can often be confused, however an explanation text explains the how and why behind a process such as

- What causes a Tsunami?
- What is the life cycle of a chicken?

A procedural text is generally instructs how to make or do something such as recipe (such as how to cook pancakes). Although they appear similar they are very different when compared side by side.

Choose if the following texts are Explanations or Procedures:

| A recipe for fairy bread. | Explanation / Procedure |
| :---: | :--- |
| The Water Cycle. | Explanation / Procedure |
| How to brush your teeth. | Explanation / Procedure |
| The Life Cycle of a Butterfly. | Explanation / Procedure |
| How to build Lego. | Explanation / Procedure |
| Why do Volcanoes Erupt. | Explanation / Procedure |

## TUESDAY - Mathematics

## Minute Maths

Use skip counting by $2 \mathrm{~s}, 5$ s and 10 s to add up the cost of these fruits quickly and easily.

1 How much do three pineapples cost?

2 How much do six apples cost?

3 How much do five oranges cost?

4 How much do eight pineapples cost?

5 How much do seven oranges cost?

6 How much do four apples cost?

## Number and Algebra－Must Do

Watch the video by scanning the QR code．https：／／www．youtube．com／embed／gzFbUZ8VjEg
It is all about making equal groups and arrays to find a total．
When we make equal groups or arrays，we can use addition to count the parts to find the total．

For example：

| Equal groups | Array |  |  | Repeated addition． |  |  |
| :---: | :---: | :---: | :---: | :---: | :---: | :---: |
|  | 3 rows | 4 stars in each row <br> 勿勿会 <br> 动动会 <br> 勿会会 | Still 12 stars altogether | $$ | ふ令 4 |  |

Complete the table using skip counting or addition to find the total．

|  | Level 1：Skip count or count from the beginning | Level 2：Add each group together． |
| :---: | :---: | :---: |
| 1 ladybird has 2 spots． | 2 | 2 |
| How many spots do 3 ladybirds have？ |  | $\ldots+\ldots+$ |
| How many spots do 5 ladybirds have？ |  | $\left.]_{-}^{+}\right]_{+}+{ }_{C}+\ldots+{ }_{C}=$ |
| 1 flower has 5 petals． |  |  |
| How many petals do 4 flowers have？ $\qquad$ |  |  |
| How many petals do 3 flowers have？ <br> ceoceres |  |  |
| A clover has 3 leaves． |  |  |
| How many leaves do 2 clovers have？ $Q Q$ |  |  |
| How many leaves do 4 clovers have？ Q Q Q Q Q |  |  |
| How many leaves do 5 clovers have？ $\text { qB \& \& \& \& } 8$ |  |  |

## TUESDAY - Art

## Drawing a Willy Willy

A Willy Willy is an Aboriginal name for a dust storm.
Have a look below at the willy willies or dust storms that happen in Australia.

What you will need:

- Pencil
- Paper
- Magazines
- Scissors

Imagine if there was a dust storm near you.

Create your own dust storm or willy willy by drawing round and round in circles.
Try to make your circles gradually smaller as you go.

Make your lines darker and darker.
Cut out pictures from magazines and arrange them into your dust storm.

You can also draw some pictures too.

## WEDNESDAY - English

## Spelling

## Must do:

- Using the table in Monday's spelling, practise your spelling words.

Remember to look, say, cover, write, check and correct each word.

Finish these ur words.
$\star$ We sometimes write ur for ir ur, as in nurse (*)

cur

Write ir to finish the words. Join the pictures to the correct words.
$\star$ We sometimes write ir for ir ur, as in bird
st $\qquad$ by
bd
th
$d$
30
sk $\dagger$
g 回
$f \quad s t$
th ty
4
sh $t$

## Can do:

Circle the suffix in each word. Write the base word in the first bird and the suffix in the second bird.

* Suffixes are added to the end of worker words to make new words.
shirtless
 hurtful learner
 worthless

Answer the questions. Colour all the fir ur ores words in the questions.
Who is the winner - the first or third?
Which says, 'moo' - a term or a herd?
Which is more - thirteen or thirty?
Who works in a hospital - a purse or a nurse?

## Reading

Read the book Butterfly Lifecycle.
https://portal.flyleafpublishing.com/wp-content/uploads/books/0-d|l-books/37-Butterfly-Life-Cycle/mobile/index.html\#p=33

This book has many new words. The glossary at the back of the book helps us find the meaning of the new words.
Use the glossary to look up these words and write down their meaning.

Must Do:

| Word | Meaning |
| :---: | :---: |
| metamorphosis |  |
| larva |  |
| chrysalis |  |
| nectar |  |
| cycle |  |
| stage |  |

## Can Do:

Use these words in sentences. Don't forget to use capital letters and full stops.

| Word |  |
| :---: | :--- |
| metamorphosis |  |
| larva |  |
| chrysalis |  |
| nectar |  |
| cycle |  |
| stage |  |

## Writing

## Structure of an Explanation.

An explanation usually includes:

1. Title
2. Introduction - This introduces the reader to what is to be explained. It may take the form of a definition, and sometimes includes background information about the topic
3. Body - series of logical steps explaining how or why something occurs
4. Ending - A concluding statement
5. Visual images - These can accompany the text in the form of diagrams, flow charts or pictures.

## The Lifecycle of a Frog

## Frogs are amphibians.

First, the mother frog lays her eggs in the water. This is called frog spawn.
Next, the eggs hatch into tiny tadpoles.
During this time, they grow gills to help them breathe.
Then, they grow two back legs.
Later, they grow two front legs.
Afterwards, the tadpole looks like a frog but it has a tail. This is called a froglet.

Finally, the froglet loses its tail. Now, it is a frog!

Title
Introduction
Body
Ending
Visual images

## The Life Cycle of a Moth

A moth is an insect with two antennae and a small pair of wings. Moths also have feelers.

To begin with, a female moth uses her antennae to help choose the right plant to lay her eggs on. Three weeks later, the eggs hatch and baby caterpillars come out. The baby caterpillars eat their own shell for nourishment. After they have finished eating their shell, they move on to eating leaves and other plants.

As a result, the caterpillar grows quickly. Soon, it starts to sheds its skin. At between 11 and 14 weeks of age, it starts to make a pupa to live in. While the caterpillar is inside its pupa, its body changes. Eventually, the pupa case will open and a lovely moth will come out.

Adult moths flit from plant to plant to feed. All moths have
 two sets of wings covered in tiny scales. They grow two eyes and big eye spots on their wings so that they can scare away predators. Their antennae are very sensitive.

For the cycle to begin again, the female must lay eggs on a leaf.

Below is an explanation text on how seeds grow but it is all out of order.
Write the text in the correct order into the template below.
(The answers are on the following page)

Firstly, the seed cracks open and roots begin to grow. Roots suck water and nutrients from the soil.

How do Seeds Grow?

Plants are living things. Most plants start from seeds. Plants need water, air and sunlight in order to grow. Plant seeds are usually buried in soil.

When the flowers die, the cycle starts again from the new seeds.

Later, buds grow and develop into flowers. The flowers drop seeds on the ground. Sometimes the wind even blows the seeds elsewhere.

After a few days, the stem begins to grow. As the stem grows thicker, leaves begin to grow.

## Number and Algebra - Must Do

Level 1: Draw groups around the pictures to match the number sentence

For example: these lady bugs make 4 groups of 2 which equals 8 .

## Draw groups around these pictures to match the... $\quad$ Number sentences

4 groups of $4=$

3 groups of $9=$

5 groups of 2

Level 2: Write 2 multiplication sentences and 2 addition sentences to show how each array works.

## WEDNESDAY - Library

## Ellie's Dragon

Visit Story Box Library
https://storyboxlibrary.com.au/
Log in (the top right corner) using the user name and password provided in SZapp.
Click on My Playlists in the top right corner, then Library.
Click on 'Ellie's Dragon' by Bob Graham to listen to the story.
This is a Shortlisted book for the Picture Book of the Year for Book Week.

## My Dragon

Imagine you had your very own dragon like Ellie. What would it be like?

## Draw a picture of your dragon

## Dragon's name:

## What does you dragon eat?

Describe what your dragon looks like?

What do you like the most about your dragon?

What things do you and your dragon like to do together?

## THURSDAY - English

## Spelling

## Must do:

- Using the table in Monday's spelling, practise your spelling words.

Remember to look, say, cover, write, check and correct each word.

## Can do:

## Rhyming Rules

Write as many words as you can that rhyme with each of your spelling words.

free

## Reading

The teacher has made some mistakes when writing these passages on the board. Help the teacher by correcting the mistakes. Rewrite the correct passage on the side of the board.

Must Do:

Can Do:

## New House

my family mooved house last week. we now live at number 6 North Street. Mum and Dad painted our new door red and put a pot plant at our front stepps

Find 2 spelling mistaker.
Add 2 captal letters and 1 full stop.

## A Day at the Beach

my famliy were going to the beach. mum asked me to pack my bag the night befor. i packed a towel, sunscreen, a ball and a bottle of water

Find 2 spelling mistahres.
Add 3 capital ketters and 1 full stop.

## Washing Hands

jane washers her hands before she eats diner. then she washes the dishes after her dinner. jane washes the dishes so she can get her pocket money

Find 2 spelling mietatres
Add 3 capital letters and 1 full stop.

## Running Race

alex was about to run in the race when he heared sumone call out his name. His shoelace had come undone. he tied up his shoelace before the race started

Find 2 spelling mittrikes.
Add 2 apital letters and 1 ftl stop.

## Writing

Watch the video 'Growing Frogs by Vivian French' on YouTube www.youtube.com/embed/-yZsabsIwS8

## Answer the following questions:

What are some of the stages of the frog's life cycle?
$\qquad$
$\qquad$
$\qquad$
$\qquad$

Why do you think frogs lay so many eggs at once?

Using the image below as a guide, write a short paragraph for each of the steps in the life cycle of a frog.
(There is some more information on the following page to help you if needed)

## How Do Tadpoles Grow?

Frogs are cold-blooded amphibians. Amphibians are animals that can walk on land and can swim in water.

The process in which a tadpole turns into a frog is called metamorphosis.
A mother frog lays about 4,000 eggs in a lake or pond. These eggs are very soft and have no shell.

After 3-6 weeks, tiny tadpoles hatch and swim around to find plants to feed on. The tadpoles still have gills so they can't leave the water.

In time, the tadpoles start to grow legs. Firstly, the hind legs appear. Then, the lungs begin to develop and finally the front legs appear. The tadpoles start to look more like frogs and are known as froglets. The froglets become more adventurous, but as a result many of them are eaten by large fish and water insects.

After three months, the froglet's lungs are fully developed so they can get out of the water and breathe. Their tails will shrink away and vanish.

The frogs are now fully grown. During winter, the frogs will hibernate at the bottom of the pond.

Have a go at the interactive activity on the life cycle of a frog
https://www.softschools.com/science/frog/life cycle.jsp

## THURSDAY - Mathematics

## Minute Maths

Mathematicians use lots of different words to explain their thinking. If you heard these words in a word question, would you know what kind of Maths problem you had to do to work out the answer?

Write these words in the column below that matches their meaning.

| plus | take away | sum | groups of |
| :---: | :---: | :---: | :---: |
| decrease | times | double | remain |
| divide | share | fewer | half |
| split | combine | multiply | total |

| Add + | Subtract - | Groups of <br> Multiply $x$ | Sharing <br> Divide $\div$ |
| :---: | :---: | :---: | :---: |
|  |  |  |  |
|  |  |  |  |
|  |  |  |  |
|  |  |  |  |
|  |  |  |  |
|  |  |  |  |

Count the blocks to measure the length of each object.

Area is the amount of space inside a shape. We can measure it using objects such as blocks or dominoes.
Watch this video in the QR code to jog your memory about what area is and how we can measure it: https://www.youtube.com/embed/UXHy9GImgrA

Find out the area of each shape by counting the blocks inside.

$\square$

## THURSDAY - PDHPE

Lesson 5 - Knowing who to speak to
Do your children know how to stay safe?
Staying safe in different situations is a topic that all students need. Whether it's dangers in the house or the playground, knowing what to do or who to speak to is really important to protect children's lives and wellbeing.

## Activity 1 - Complete the worksheet below

## Staying Safe Location Map

It is important to know where you can go and who you can speak to when you feel unsafe. Draw a map of your community. You may include:

Fill in the last two boxes with any other services you have in your own community.
Draw a map of your area and locate each service on the map.
With a marker, highlight the places you may go when you feel unsafe.
$\square$
List five places you may go, and five people you may talk to, if you are feeling unsafe:

| Places | People |
| :--- | :--- |
|  |  |
|  |  |
|  |  |

## Activity 2 - Answer the following questions.

1. List three actions you do that make your family and friends feel safe.
2. List three actions that make people feel unhappy or unsafe and describe why people might make others feel unhappy or unsafe.
$\qquad$
$\qquad$
$\qquad$
$\qquad$
$\qquad$
3. How do you feel when you are unhappy or unsafe?

Activity 3 - Complete the word search below

## Activity 4 - PE Activity - Are you ready to have some fun!!

Watch the YouTube video below of Mrs Deck doing an Olympic themed workout.
https://www.youtube.com/embed/Y2BkjMa o-Q
Put on your gym shoes, grab a drink bottle, and find a safe space to exercise.
We are going to pretend we are going to the Olympics look at the table below to see the exercises.

Complete each exercise for 30 seconds then do 30 seconds of active recovery.
Each round takes 5 mins. Complete as many rounds as you like. Recommendation 2-3 rounds.
Don't forget to warm-up and cool-down afterwards.

| Olympic Exercises | Format |
| :---: | :---: |
|  | High Knees for 30 seconds and then 30 Seconds Active Recovery of your choice Choose from the list of exercises below for active recovery <br> - Skipping <br> - Jogging <br> - Star jumps <br> - Broad jumps <br> - Lateral slides |
|  | Galloping for 30 seconds and then 30 Seconds Active Recovery of your choice <br> Choose from the list of exercises below for active recovery <br> - Skipping <br> - Jogging <br> - Star jumps <br> - Broad jumps <br> - Lateral slides |
|  | Box Left and Right and Squat $\times 2$ for 30 seconds and then 30 Seconds Active Recovery of your choice <br> Choose from the list of exercises below for active recovery <br> - Skipping <br> - Jogging <br> - Star jumps <br> - Broad jumps <br> - Lateral slides |
|  | Ab cycles for 30 seconds and then 30 Seconds Active Recovery of your choice <br> Choose from the list of exercises below for active recovery <br> - Skipping <br> - Jogging <br> - Star jumps <br> - Broad jumps <br> - Lateral slides |
|  | Power Skaters for 30 seconds and then 30 <br> Seconds Active Recovery of your choice <br> Choose from the list of exercises below for active recovery <br> - Skipping <br> - Jogging <br> - Star jumps <br> - Broad jumps <br> - Lateral slides |

## FRIDAY - English

## Spelling

## Must do:

- Using the table in Monday's spelling, practise your spelling words.

Remember to look, say, cover, write, check and correct each word.

- Have a family member test you on your spelling words. How did you go?

## Can do:

## Colour Match

Write your spelling words in your book. Write the vowels in blue and the consonants in red.

## Reading

Everyone loves to play Minecraft. Learn all about how to play the game and complete the questions.

Level 1

## Questions

1. Select the best definition for Minecraft.

$\square$
Minecraft is an online game.
$\square$ Minecraft is a popular video game in which players use blocks to build and create digital, 3D worlds.
$\square$ Minecraft is a fun game that can be played on a computer.
2. Which Minecraft mode do you think you would prefer to play? Explain your answer.
$\qquad$
$\qquad$
3. Draw an example of what a mob might look like.

4. Colour the things that you could use to play Minecraft.

## Questions

1. Select the best definition for Minecraft.
$\square$ Minecraft is an online game.
$\square$ Minecraft is a popular video game in which players use blocks to build and create digital, three-dimensional worlds.
$\square$ Minecraft is a fun game that can be played on a computer.
2. What are the two main modes, or ways to play, Minecraft?
$\qquad$
3. Which Minecraft mode do you think you would prefer to play? Explain your answer.
$\qquad$
$\qquad$
4. What are mobs?
$\qquad$
5. What do I need to be able to play Minecraft?
$\qquad$
$\qquad$

## Drawing of a block-shaped creature here.

## Writing

## Below is an explanation of The Water Cycle.

Water is an essential part of life. The earth has a limited amount of water, however water is continually recycled in a process called the water cycle. It is made up of a four main parts: precipitation, collection, evaporation and condensation.

These droplets condense on dust particles and form clouds.

When the clouds get heavy enough, they will rain.

The rain will fall on land, in rivers or in lakes.

## precipitation

## condensation

Vapour turns back into a liquid in the form of tiny droplets.
 turns into a vapour.

## Using the diagrams, write the information into paragraphs below:

Title

Introduction- introduces the reader to what is to be explained

Body-series of logical steps explaining how or why something occurs

Ending

## Visual Image:

## FRIDAY - Mathematics

## Minute Maths

Yesterday we learnt about using different words to figure out how to read word problems.
This is an addition word problem. Circle the words in the question that tell you it is about addition.
Monica saw 11 butterflies. Then she saw another
6 butterflies. How many butterflies did she see altogether?

This is a subtraction word problem. Circle the words in the question that tell you it is about subtraction.

Fern had 12 pieces of chocolate. She gave 5 pieces away. How many pieces did she have left?

Write your own word problem about addition or subtraction (try to use some of the words from yesterday's minute maths task to match your question).

## Draw a picture:

## Measurement and Geometry - Year 1 Length

You will be measuring the length of your pencil case with some different items. If you don't have a pencil case at home, use something similar in size like a pillow or a plate. The items you can use to measure your pencil case could include: a rubber, a paper clip, or a coin. If you need to, ask an adult at home to help you choose or find these items.

To measure length properly, we need to remember these rules.

- We measure length from side to side.
- We use the same object to measure the WHOLE pencil case.
- We don't leave any gaps when we count the length.
- We don't overlap the measuring object when we count the length.

Write the 3 different items you have chosen to measure your pencil case with down the left side of the table. First estimate how many times your item can fit along the length of your pencil case. Then measure!

If you have time, decorate the

| Unit of <br> Measurement | Estimate | Measurement |
| :---: | :---: | :---: |
| - | I estimate the pencil case to be $\qquad$ long. | The pencil case is |
|  | I estimate the pencil case to be $\qquad$ long. | The pencil case is |
|  | I estimate the pencil case to be $\qquad$ long. | The pencil case is $\qquad$ |
| - | I estimate the pencil case to be $\qquad$ long. | The pencil case is $\qquad$ |

Watch this video about measuring area:

https://www.youtube.com/embed/txp7m8-LOvg
Colour the letters in. Count the blocks in each letter to measure their area.

Area $=$ $\qquad$ blocks. ble

Area $=$ $\qquad$ blocks. $\quad$ Area $=$ $\qquad$ blocks.

Your initials are made up of two letters: the first letters of your first and last name. For example, Fred Smith's initials would be FS. Draw your initials in block capital letters like the ones above and count their total area by colouring in the blocks. Important tip: Don't use any curved or diagonal lines!

My initials are: $\qquad$
Area of my first initial: $\qquad$ blocks.

Area of my second initial: $\qquad$ blocks.

|  |  |  |  |  |  |  |  |  |  |  |  |
| :--- | :--- | :--- | :--- | :--- | :--- | :--- | :--- | :--- | :--- | :--- | :--- |
|  |  |  |  |  |  |  |  |  |  |  |  |
|  |  |  |  |  |  |  |  |  |  |  |  |
|  |  |  |  |  |  |  |  |  |  |  |  |
|  |  |  |  |  |  |  |  |  |  |  |  |
|  |  |  |  |  |  |  |  |  |  |  |  |
|  |  |  |  |  |  |  |  |  |  |  |  |
|  |  |  |  |  |  |  |  |  |  |  |  |
|  |  |  |  |  |  |  |  |  |  |  |  |
|  |  |  |  |  |  |  |  |  |  |  |  |

|  |  |  |  |  |  |  |  |  |  |  |  |
| :--- | :--- | :--- | :--- | :--- | :--- | :--- | :--- | :--- | :--- | :--- | :--- |
|  |  |  |  |  |  |  |  |  |  |  |  |
|  |  |  |  |  |  |  |  |  |  |  |  |
|  |  |  |  |  |  |  |  |  |  |  |  |
|  |  |  |  |  |  |  |  |  |  |  |  |
|  |  |  |  |  |  |  |  |  |  |  |  |
|  |  |  |  |  |  |  |  |  |  |  |  |
|  |  |  |  |  |  |  |  |  |  |  |  |
|  |  |  |  |  |  |  |  |  |  |  |  |
|  |  |  |  |  |  |  |  |  |  |  |  |

Let's begin with a song that we learned a few weeks ago I LIke The Flowers, with Mrs Cronin helping. Have a go at holding a part when we start singing in a round.

## https://youtu.be/tllwmW3OZty

## Rhythm Reading

Clap or tap along with the following link. Don't forget to sound out the words with your voice.

## https://www.youtube.com/embed/Ut-0qOMWCOo

Last week we learned about the concept of Tempo and some Italian words we use to talk about the speed of music. Do you remember what they were? If you need to jog your memory you can watch the video again.
https://www.youtube.com/embed/iN5Jv9s-z80.

Activity: On a piece of paper make two headings - Presto (fast) and Largo (slow)

Under each heading draw or write three animals that move in that way.

Now listen to these two pieces from a famous composition called Carnival of the Animals. The musicians are brothers and sisters. Aren't they amazing?

2. Fossils https://www.youtube.com/watch?v=WhAUjEgRHXg

Which is Presto and which is Largo?

## Learn a New Song: The Animal Fair

Try to learn the following song. The words are below.
https://www.youtube.com/watch?v=teW-EF7avXs

I went to the animal fair,
The birds and the beasts were there.
The big baboon by the light of the moon
Was combing his auburn hair.
The monkey bumped the skunk,
And sat on the elephant's trunk,
The elephant sneezed and fell on his knees And that was the end of the monk.

Revise: Don't Fence Me In
https://www.youtube.com/watch?v=kqAa4IDb29M

Have fun ()
